Nelson "Mac" McAlexander,2013-11 In a dream I had back in 1977 thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was writing a book titled God s Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2 17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it      *The Split World of Gerard Manley Hopkins* Dennis Sobolev,2011-05 For the first time in almost half a century the world of Hopkins is examined as an indivisible whole The Split World of Gerard Manley Hopkins is a synthetic study of Hopkins s writings written within a framework of semiotic phenomenology      **Getting Here** Terry Stokes,2020-01-30 Travel the paths along with the author that eventually lead him to become one of the most successful entertainers on The Las Vegas Strip From hustling watches on the streets of Atlanta to headlining world class casinos It really is a fun journey      *Consecration, ed. by W. Binoj Mathew, O.S.S.T.,2021-07-21 Concept of Redemption in the Selected Works of Nathaniel Hawthorne and Graham Greene A Comparative Perspective in the Light of the Catholic Theme of Redemption as Elucidated by John deMatha and the Trinitarians is an English Literature book that analyzes the selected works of Nathaniel Hawthorne and Graham Greene The intended objective is to demonstrate how the Catholic theme of redemption influence these authors the primary source for which is the Holy Bible A critical and interpretative framework for the thematic analysis of literary texts focused on the idea of redemption has been created based on the above

findings Applying the framework on these authors suggests that life is a journey from egoism to glorification which is also a journey to self emptying It is a gradual transformation of the human self to the divine self The book s conclusion consolidates the findings of the analysis and makes a comparative evaluation of the contrasting readings of the novels of Nathaniel Hawthorne and Graham Greene It also gives new levels of fiction readings with the theme of redemption The framework structure created in chapter IV to analyze the various nuances of redemption in English Literature will serve as a tool to explore further works
