**A Gutmann**

## **Unknown Mountain:**

*The Unknown Mountain* Don Munday, 1948     *A Passion for Mountains* Kathryn Bridge, 2006 Don and Phyllis Munday are western Canada's most famous mountaineering couple. Active members of the Alpine Club of Canada they climbed for almost four decades throughout the Pacific Northwest as well as in the Selkirks and the Rocky Mountains. The Mundays were ahead of their time. They are chiefly renowned for their tenacity and environmental awareness as well as for their scientific contributions in exploring and documenting the little known Coast Mountains. Their joint climbs from the 1920s through the 1940s included scaling 150 plus mountains more than 40 were first ascents. *A Passion for Mountains* features a broad selection of the Mundays' photographs and incorporates their own words to describe many of their ascents.     Wildlife Food Plants of the Southwest David R. Patton, 1982     *Guila Naquitz* Kent V Flannery, 2021-08-11 This volume reports on the excavation of Guila Naquitz cave in Oaxaca, a site that provides important evidence for the earliest plant domestication in the New World. Stratigraphic studies, examinations of artifactual and botanical remains, simulations, and an imaginative reconstruction make this a model project of processual archaeology.     **Ruby Pipeline Project**, 2010     **Kiowa Ethnogeography** William C. Meadows, 2010-01-01 Examining the place names, geographical knowledge, and cultural associations of the Kiowa from the earliest recorded sources to the present, *Kiowa Ethnogeography* is the most in-depth study of its kind in the realm of Plains Indian tribal analysis. Linking geography to political and social changes, William Meadows applies a chronological approach that demonstrates a cultural evolution within the Kiowa community. Preserved in both linguistic and cartographic forms, the concepts of place, homeland, intertribal sharing of land, religious practice, and other aspects of Kiowa life are clarified in detail. Native religious relationships to land, termed geosacred by the author, are carefully documented as well. Meadows also provides analysis of the only known extant Kiowa map of Black Goose, its unique pictographic place labels, and its relationship to reservation-era land policies. Additional coverage of rivers, lakes, and military forts makes this a remarkably comprehensive and illuminating guide.     The Story of Colorado, Out where the West Begins Arthur Chapman, 1924     Regional Medical Programs Martha Glock, 1991     *The Pacific Northwest, Its Wealth and Resources* Oregon Immigration Board, 1891     Life and Letters of a Forty-niner's Daughter Ella Sterling Mighels, 1929     **Tropical and Subtropical America** G. M. L. Brown, Marrison Wilcox, 1908     **Country Life Illustrated**, 1900     **The Dial**, 1910     **Trans-Himalaya** Sven Anders Hedin, 1913     **The Wars of the Nineties** Andrew Hilliard Atteridge, 1899     **Classified Catalogue of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh, 1922     *Century Path*, 1905     **Among the Kara-korum Glaciers in 1925** Jenny Visser-Hooft, Jeannette Hooft Visser, Philips Christiaan Visser, 1926     The Alpine Journal, 1918     **The Great West** Ferdinand Vandever Hayden, 1880
