Lockwood,2012 Is it possible for broken ill equipped faltering or average people to merit God's highest commendation For him to say they lived by faith Yes it is In *Unlikely Heroes Ordinary People with Extraordinary Faith* Daniel R Lockwood presents a cast of Old Testament characters from Hebrews 11 seriously flawed people with stories that teach us about genuine biblical faith Biblical insights historical significance and engaging storytelling carry readers across generations of faith into the adventure that is ours today with guidance for traveling wisely and courageously So strap on your dusty sandals shoulder your trail worn knapsack pick up your reliable walking stick and get ready to travel in the footsteps of some remarkably unremarkable individuals You will meet people whom God himself calls faithful and discover they are people like us

Dryden's Second Hundred Years: a Central New York Town in the 20Th Century Elizabeth Denver Gutchess,2020-11-18 Dryden's Second Hundred Years Part II does two exceptional things First its tight focus on local participation in World War II paradoxically chronicles the entire war a conflict which drew its combatants from small rural townships like Dryden NY assigned and scattered them throughout the world and then delivered the survivors back home again creating in every small American community a microcosm of the entire conflict an eye witnessing of the whole story Second that story is told here largely in local participants own words in letters from camps troopships carriers cruisers foxholes and hospitals their voices a quiet backdrop to the horrific war they had been asked to fight The resulting narrative suggests that those who don't know history while not always doomed to repeat it are very likely doomed to live their lives without perspective to mistake inconvenience for hardship and hardship for catastrophe and to be blind to the miracle of everyday normal life

Unlikely Heroes Jennifer S. Holland,2014-10-07 In her heartwarming New York Times bestsellers *Unlikely Friendships* and last year's *Unlikely Loves* Jennifer Holland revealed the surprising emotional bonds that exist between animals of different species Her books spent dozens of weeks on bestseller lists and caught the attention of major media from CBS This Morning to USA Today Why Because she opened our eyes to the rich inner lives of animals showing us that the power of love and friendship is not for humans only In *Unlikely Heroes* Ms Holland uncovers and celebrates yet another side of animals that we often think belongs primarily to people heroism that indefinable quality of going above and beyond often for altruistic reasons often at great personal risk These 37 inspiring true tales show animals whose quick acts have saved lives like the pod of dolphins who protected swimmers in New Zealand from a great white shark by forming a screen around them There are stories of animals who simply and unselfishly give like Rojo the llama who shines his very special light of lovingkindness on the elderly patients in an Oregon rehab center And there are compelling stories of heroic resilience like Naki o the abandoned puppy who lost all four paws to frostbite but found the grit not only to overcome that

terrible hardship but to reclaim the joy of life that s him smiling on the cover of the book **The Unlikely Heroes** Sarah Noffke, Michael Anderle, 2019-08-20 Magic is real Most mortals are seeing it for the first time Some don t deal with change very well There are a few mortals who have always seen the magic Those are the ones Liv Beaufont is hunting down They are potentially one of the Mortal Seven Kayla Sinclair is also on the hunt But she s aiming to kill It s a race to find the Mortal Seven before they are murdered And meanwhile there s another crime that needs Liv s attention Someone wants Father Time dead and they ll do anything to draw him out of hiding *Just Grace and the Trouble with Cupcakes*, 2013 Count on third grader Grace to cook up a creative compromise just in time to save the day at the cupcake themed school fair *Just Grace* Charise Mericle Harper, 2008-03-18 The third grader Grace Stewart gets stuck with the name Just Grace when she tries to distinguish herself from the three other Graces in her class Grace is plenty different though She has a teeny tiny superpower for instance she can tell if someone is unhappy and often tries to fix it When she concocts an elaborate scheme to help her neighbor Mrs Luther feel less lonely however her good intentions backfire rather dramatically Headlines such as What Happened At Home That Was Completely Surprising and Spying For A Good Reason Is Not Bad keep things lively as do various lists Boy Things Rooms You Can Jump In comic strips and the author s cartoonish spot art A funny glimpse into a third grader s madcap world of dashed hopes perceived enemies possible friends cats and sandwiches Don t miss the Just Grace website www.justgracebooks.com with its superpower quiz podcasts excerpts and downloads or the other books in the Just Grace series Still Just Grace Just Grace Goes Green Just Grace Walks the Dog Just Grace and the Snack Attack Just Grace and the Terrible Tutu and Just Grace and the Double Surprise **Unlikely Heroes** Katherine Toy Miller, 2004
