Unorthodox Practices:

Unorthodox Practices Marissa Piesman,2005-10 Welcome to New York in the 1980s where the best thing about being obsessed with real estate is that you can count on it to arise in conversation about every ten minutes Nina Fischman mostly opts out of those conversations She s too busy running down to Housing Court on behalf of her poverty law clients and tracking down sales on sweaters that camouflage the hips But Nina s mother Ida has a nose for the market and that nose gets twitchy when old ladies in her neighborhood start dying leaving apartments that have miraculously escaped what New Yorkers delicately call the cockroach problem Someone s making a killing in real estate

Science Has No Sex Arleen Marcia

Tuchman,2006-12-08 German born Marie Zakrzewska 1829 1902 was one of the most prominent female physicians of nineteenth century America Best known for creating a modern hospital and medical education program for women Zakrzewska battled against the gendering of science and the restrictive definitions of her sex In *Science Has No Sex* Arleen Tuchman examines the life and work of a woman who continues to challenge historians of gender to this day At a time when most women physicians laid claim to female qualities of care and nurturance to justify their professional choice Zakrzewska insisted that all physicians regardless of gender should depend upon the rational faculties developed through training in the natural sciences She viewed science as a democratizing tool anyone could master science she asserted and therefore the doors to the elite profession of medicine should be opened to all Shedding light on the changes that radically transformed medicine in the late nineteenth century Tuchman s analysis also demonstrates how Zakrzewska s activism is important to the ongoing debate over the relationship between science and sex

Montanari,2023-12-31 This book is not about witches First of all because it focuses on the Middle Ages And despite common misconceptions among the general public the figure of the witch as a woman who seals a pact with the Devil is not a medieval invention Becoming a Witch explores the feminization of what civil and religious authorities defined as magic in medieval times It looks into the complex connections between women the natural the supernatural and the tragedy of existence The chapters in this book span from the far north of Europe to the Mediterranean area and investigate topics such as divination erotic magic flying and dancing bodies cannibalism milk stealing witchcraft the circulation of superstitious knowledge among women Otherness agency and last but not least contemporary representations of the witch in books TV series and cinema productions From whom did women learn their beliefs and remedies Were they really in contact with demons Were they a social threat And most importantly should men fear and stop them [Kaplan 12 Practice Tests for the SAT 2015-2016](#) Kaplan,2015-03-03 Prep for the current SAT with confidence This SAT prep was designed for the current SAT and is good until the College Board s last official SAT administration in January 2016 Don t miss your last chance to take the current SAT One of the most widely used college admissions tests the SAT will be completely updated in March 2016 Kaplan s 12 Practice Tests for the SAT is Kaplan s latest essential SAT guide filled with the practice students need to prep for the exam this year and it also provides information including practice questions and detailed answer explanations about the new March 2016 SAT There is nothing like practice to help build the necessary edge and Kaplan s 12 Practice Tests for the SAT 2015 2016 provides more practice tests than any other guide on the market This guide is designed to help students increase speed and accuracy with all of the different SAT question types Kaplan s 12 Practice Tests for the SAT features 12 full length practice SAT exams with full answer explanations 600 math grid ins and multiple choice questions 800 sentence completion and reading comprehension questions 500 multiple choice writing questions 12 essay prompts complete with model essays and a self grading guide Information about the NEW SAT with sample questions and detailed answer explanations Kaplan guarantees that students will score higher on the SAT or get their money back Kaplan s 12 Practice Tests for the SAT 2015 2016 is the must have preparation tool for every student looking to score higher [Incomprehensible!](#) Wendy Wagner,Will Walker,2019-07-11 Explains how the law often encourages actors to be incomprehensible in ways that actually undermine the purpose of the laws themselves **Popular Religion in Russia** Stella Rock,2007-09-10 This book dispels the widely held view that paganism survived in Russia alongside Orthodox Christianity demonstrating that double belief dvoeverie is in fact an academic myth Scholars citing the medieval origins of the term have often portrayed Russian Christianity as uniquely muddled by paganism with double believing Christians consciously or unconsciously preserving pagan traditions even into the twentieth century This volume shows how the concept of dvoeverie arose with nineteenth century scholars obsessed with the Russian folk and was perpetuated as a propaganda tool in the Soviet period colouring our perception of both popular faith in Russian and medieval Russian culture for over a century It surveys the wide variety of uses of the term from the

eleventh to the seventeenth century and contrasts them to its use in modern historiography concluding that our modern interpretation of dvoeverie would not have been recognized by medieval clerics and that double belief is a modern academic construct Furthermore it offers a brief foray into medieval Orthodoxy via the mind of the believer through the language and literature of the period
