Unsettling Season:

The Journey. What If It's Not About Being "Better"? Bekah Siau, 2021-10-20 This book is something that emerged through countless conversations with friends and students about their own personal journey with Jesus This book has been a response to the questions that have come up from those conversations as I have fought to find solid footing to ground me If you are struggling with the pressure to be a better Christian or be better at dealing with your sin shame or missteps this book is for you It is not answers as much as it is someone coming alongside of you in your questions and journeying with you towards truth What if it's not about being a better Christian someday but more about the journey and what you learn along the way
