Unsubscriber Poems:

The Unsubscriber Bill Knott, 2006-04-18 Eavesdroppers fear the hermit's soliloquy Wake up wound the knife said from To Live By Bill Knott's poetic manner surreal yet vernacular outrageous and tender is unlike anything in contemporary American verse In *The Unsubscriber* he investigates cloning laboratories and spaceships cemeteries and battlefields talks to Damocles and pokes fun at Hamlet witnesses the moments before a seduction and charts maps in the stars and in forests Knott tells fables poses questions shadows spies and breathes new life into poetry's oldest stories love and war *The Unsubscriber* is the first new book in a decade by a fiercely iconoclastic American poet deserving of a wide audience

Pacific Literatures as World Literature Hsinya Huang, Chia-hua Yvonne Lin, 2023-05-04 Examines trans Pacific poets and writers to suggest a different way of understanding Oceanic literature and its place in world literature Unsub Divya Victor, 2014-11-24 Recasting the forensic and everyday language of the FBI's descriptions of unidentified subjects from suspects to criminals to corpses UNSUB probes what it is to be wanted It explores our desire to have and to hold in contempt those subjects that threaten a society of securitization Investigating a culture of terrorism paranoia and surveillance by rendering a world divided into victims and perpetrators UNSUB plays on the differences between catching a predator and being a catch Through ghostly descriptions of live bodies the book scrutinizes the vicissitudes of anonymity and subjectivity indistinction and identity By turning the forensic onto the forensic Divya Victor splays the bodies of those wanted into bits of want soldered over scars and moulding desires that glut of gut tissue and the rotting tongue's ability to speak another tongue To UNSUB is not as turns out to unsubjectify but to subjectify too highly High as how meat goes when left too long by the side of the road Like a graveyard the poems make a more permanent point than its peoples What we want is enough And always too much Vanessa Place This is a work under the auspices of resemblances the unknown subject the step just beyond or under In Atom Egoyan's *Next of Kin* hoards of narrative are sapped into wasp facial features In UNSUB Divya Victor shows us how these narratives get charged by ethnicity a place a thievery and a poverty of emigrations migrations now virtual We are fluttered by identifiers yes we are leaving us still too often facing losses I just checked poetry is still alive Ara Shirinyan

Poet's Choice Edward Hirsch, 2006 A collection of revised and expanded writings culled from the author's popular Washington Post Book World Poet's Choice column demonstrates how poetry responds to world challenges and introduces the work of more than 130 writers Poets of the South: biogr. and critical studies, with typical poems Franklin Verzelius N. Painter, 1903 **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry Selected Poems George Meredith, 1983 George Meredith 1828 1909 is best known as the author of *The Egoist* and *Diana of the Crossways* His poetry

however notably the poems from *Modern Love* is emerging from long eclipse and this selection reveals the diversity and originality of one of the most influential writers of his time His note was trenchant turning kind Thomas Hardy wrote of him The trenchancy was characteristic of his critical perspective on an age disoriented by a prosperity which had entailed severe moral and spiritual losses The kindness was extended to those writers in whom he perceived excellence or the promise of it Though he read for the bar he turned for his living to journalism and to reading for the publishers Chapman and Hall It was in these capacities that his influence was felt In his introduction to this edition Keith Hanley Lecturer in English at Lancaster University describes Meredith s distinctive naturalism and shows how the poetry is designed to amplify and frame these human values Only a few read my verse and yet it is that for which I most care he said in old age It is in his poetry that he invested most of himself and over a very long period Thomas Hardy Robert Lowell and Tony Harrison are just three poets who have learned something from his emotional complexity and formal control And the Meredithian sonnet has certainly not been exhausted as a modern form
