

Untamed Mistreb

Bruce Hershenson, Richard Allen

Untamed Mistreb:

Hollywood Boozers, Brawlers and Hard-Luck Cases Laura Wagner, 2025-04-07 In the Golden Era of moviemaking motion picture studios owned Hollywood from the beat cops on up meaning that the wild misadventures of top earning movie stars were regularly swept out of the public eye But no such effort was expended on behalf of minor stars and their shenanigans became tabloid gold in newspapers across America damaging careers reputations and lives This book presents 15 life stories of Golden Age Hollywood from the sordid to the sad from battles with the bottle to nightclub brawls hard luck childhoods and even murder Each write up includes biographical information much of which has gone unseen for decades and filmographies Actors covered include Ross Alexander David Bacon Bruce Cabot James Cardwell William Eythe Wallace Ford Billy Halop Weldon Heyburn Ronald Lewis Tom Neal Allan Nixon Craig Reynolds Danny Scholl Lawrence Tierney and Sonny Tufts *Outlaws, Rebels, & Vixens: Motion Picture Censorship in Milwaukee, 1914-1971* Matthew J. Prigge, 2016 For nearly 60 years the Milwaukee Motion Picture Commission MMPC had the last word on what was suitable for exhibition at local movie theaters Born of the high ideals of the Progressive Era the MMPC evolved into one of the nation s strictest censor boards and kept hundreds of scenes and films from playing in Milwaukee that ran elsewhere with little to no interference From the bawdy antics of silent era comedians to the unabashed sexuality of 1960s the MMPC saw itself as a defender of Milwaukee s morality throughout a half century of great change and tumult As the first ever book length examination of a local film censor board *Outlaws Rebels Vixens* tells the long forgotten story of the battle for Milwaukee s cinematic soul Includes a full index of all films either censored or banned by the MMPC *White Horse, Black Hat* C. Jack Lewis, 2002 Jack Lewis spent twenty five years in this world of low budget Westerns and in *White Horse Black Hat* he reveals the human side of the industry Highly personal and filled with rare glimpses of a life that remains in the memory of only a few this narrative is a nostalgic memoir of a bygone time of those who shared life on Poverty Row and of the hard work failures successes and dreams made or broken **BOOK JACKET** **Iconotropy and Cult Images from the Ancient to Modern World** Jorge Tomás García, Sandra Sáenz-López Pérez, 2022-04-06 The book examines the process of symbolic and material alteration of religious images in antiquity the middle ages and the modern period The process by which the form and meaning of images are modified and adapted for a new context is defined by a large number of spiritual religious artistic geographical or historical circumstances This book provides a defined theoretical framework for these symbolic and material alterations based on the concept of iconotropy that is the way in which images change and or alter their meaning Iconotropy is a key concept in religious history particularly for periods in which religious changes often turbulent took place In addition the iconotropic process of appropriating cult images brought with it changes in the materiality of those images Numerous accounts from antiquity the middle ages and the modern period detail how cult images were involved in such processes of misinterpretation both symbolically and materially The book will be of interest to scholars working in art history visual
