You Me And Jesus:

You, Me, & God Karlynn Kimkade,2017-10-06 From adolescence to adult hood seeds of discord were planted all throughout Whitleys life For some it was more than just that In fact some would say it was only the beginning of her demise From beatings lies and even molestation her story seemed to be just conversation over coffee to the outside world She was just another so called Christian who lived a lie and in a same sex relationship But what unfolded would be more than most could ever imagine Take a journey through the lens of a woman who overcame trials tribulations and finding God in the midst of it all

The Aramaic Gospels and Acts Joseph Pashka,2003-09

Unquestioned Answers Jeff Myers,2020-03-01 We hear and say short Christian clichés all the time such as Jesus was a social justice warrior Just have faith and It's not my place to judge These trite statements often go unquestioned Sometimes they even substitute for truth leading to a fragile and shallow faith But what if a close study of these clichés could lead us to deep biblical truth In Unquestioned Answers Dr Jeff Myers rethinks ten popular Christian clichés Through an in depth and fresh look Myers shares insights into these overused statements to strengthen readers faith and encourage them to share Jesus with others Walk with Myers on a path to biblical truth as he explores critical topics such as social justice faith sin loving others God's goodness prayer and more

'The Real Scriptures' of God James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973
