What Parents of Special Children Should Know Z. Shamma-Othman, 2008-05 Using her experience as a mother to a daughter with special needs Dr Shamma Othman offers positive insight and coaching for families who are raising children with learning disabilities

What every Air Force wife should know Ester Wier, 2026-03-19 When duty calls and your husband answers in Air Force blue are you prepared for the journey that lies ahead In an era when military wives navigated uncharted territories of sacrifice strength and silent courage Ester Wier delivers an unflinching portrait of life behind the scenes of America's aerial guardians This isn't just another guide book it's a lifeline thrown to women who found themselves thrust into a world where protocols matter as much as prayers and where the sound of engines overhead can mean both pride and heartbreak Wier captures the essence of military marriage with remarkable honesty revealing the intricate dance between personal dreams and patriotic duty that defines Air Force families From navigating the complexities of base housing and military hierarchy to maintaining relationships across countless relocations every page pulses with authentic emotion and hard won wisdom The author understands that being an Air Force wife means mastering the art of resilience while your heart remains perpetually divided between home and horizon She explores the unique challenges of raising children in a nomadic lifestyle the unspoken sisterhood among military spouses and the delicate balance of supporting your husband's mission while nurturing your own identity Through vivid storytelling and practical insight this book illuminates the extraordinary courage required to love someone whose first allegiance belongs to country and sky More than a period piece this remarkable work offers timeless truths about marriage sacrifice and the strength that emerges when ordinary women face extraordinary circumstances Modern readers will discover profound insights into military culture relationship dynamics and the historical foundations that shaped today's Air Force families Wier's compassionate voice speaks across decades to anyone who has ever wondered what it truly means to serve alongside those who serve revealing that some battles are fought not in the air but in the heart and that victory often looks like simply holding your family together when the whole world seems determined to pull it apart

Protecting Your Child from Predators Beth EdD Robinson, Latayne C. PhD Scott, 2019-08-06 Even good parents often underestimate the dangers their children face Research indicates that one in four females and one in six males are sexually abused before age 18 In most cases the enemy is not a faceless stranger it's someone you know and trust a neighbor a coach or even a family member This book provides practical steps to ensure you're doing all you can to reduce the risks of abuse But since you cannot be with your children 24/7 it goes beyond what you can do as a parent to teach you how to increase your child's own awareness and strategies in the face of potential dangers without making them fearful Dr Robinson whose decades long practice focuses on abused and endangered children calls on her own case studies to show age appropriate conversation starters for parents teaching them how to ask the right questions and provide the right boundaries This book will help you move from fear to confidence on this heavy topic that is just too
