Jeffrey J. Hirscher,2008-03 The prophetic word went forth at the beginning of 2008 at our church and also is being declared across the nation concerning the promise for a new beginning for the Body of Christ Included is a command to get into position a command to get our personal lives lined up with the Word of God so we may be partakers of the promises of God but more importantly to draw near to God Are you a Christian but still feel unfulfilled Are you hungry for a close relationship with the Lord Do you know how to draw closer to the Lord Is the present shaking in the church unsettling you This book declares the path and reveals the disciplines that need to be established in our lives for the

saving business today Glory to His Name      **The Victorious Christian Soldier in Christ's Army** Urian Oakes,C. Matthew McMahon,2020-08-28 What does it mean to be a conqueror in Christ s army In fact the question really is what does it mean to be not only a conqueror but more than a conqueror and good soldier in Christ s ranks Oakes in this wonderful work on answering that question dives deep into Paul s statement in Romans 8 37 Nay in all these things we are more than conquerors through him that loved us The truth proclaimed by Oakes is that there is a more than ordinary triumph over all those enemies that oppose themselves against the progress and advancement of a Christian in his way to the fruition of the sweet fruits of the everlasting love of God in Jesus Christ That all true believers have a transcendent and incomparably glorious conquest and victory in all their severe engagements with the enemies of their peace and happiness through the love of God in Christ Jesus Every true believer is a soldier and engaged in a warfare Every true believer has a constant fighting work before God and there is no end of his war in this world not any time in which he can stop fighting Yet a true believer is never totally and absolutely conquered in any engagement with the enemies that war against him Every true believer manages a successful war and is sure of a conquest A believer s victory and conquest are incomparably glorious Every believer obtains this glorious victory and conquest through the Lord Jesus Christ The love of God in Christ is the absolute first cause of those victorious proceedings and this infallible conquest of believers These believers are the greatest soldiers who have ever lived and are comforted in their fight by the blessings of Almighty God through Christ All believers must know and consider that they are soldiers in Christ s army and have a fighting work a warfare before them until they reach heaven They must as faithful soldiers improve their skill in fighting and harness the spiritual power of the everlasting Gospel of Jesus for their victory We wait and pray and look and long for that glorious day when our warfare shall be ended and we shall go out of the field victorious and triumphant as absolute conquerors This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

*A Soldier of War* Tom Allan Bosvik, 2013-12-16

*A Soldier of War* is the first of a four part series which tells you of the purpose of God and ends with the reason for the creation of earth. The second in the series is *A Soldier at Peace* which describes what happened to God after creation. *A Soldier of all Creation* explains the many differing religions and opinions. *A Soldier of Love* tells you how it all ends. It was inspired and directed by the Holy Spirit. *A Soldier of War* is about God's Journey before Earth. It explains why there are so many different races, religions, and differences in thought. Most importantly, it describes how it will end and when. How many times have you wondered why you are alive or how life really began? How many times have you questioned the answers only to be told to leave that to the elders of your church? By reading *A Soldier of War*, you will learn why it all began and what you are doing here right now. The search for God is the question of the ages. Every holy man or woman has questioned themselves on what happened and why does it keep happening? Why do events just keep happening over and over again until some destruction happens and we start again? In the eternal argument, the church will say that earth is only six thousand years old, but science will say it has been here for billions of years and homo sapiens have been here over 50,000 years. Both sides believe they are correct and the other is wrong. Combating religions will say they are correct and the other is wrong. *A Soldier of War* will tell you how they are all right and all have their place.
