The Cooper Beech:

The Copper Beech Maeve Binchy,1993 Eight children once carved their names on the trunk of the great copper beech tree which shades the schoolhouse in Shancarrig Now these children are grown They have different lives but it was the school that formed them and made them what they are For each their home town of Shancarrig holds special memories some too private ever to be told

The Copper Beech Maeve Binchy,2007-05-29 NEW YORK TIMES BESTSELLER The Copper Beech is as soothing as a cup of tea People In the little Irish town of Shancarrig the young people carve their initials and those of their loves into the copper beech tree in front of the schoolhouse But not even Father Gunn the parish priest who knows most of what goes on behind Shancarrig s closed doors or Dr Jims the village doctor who knows all the rest realize that not everything in the placid village is what it seems Unexpected passions and fears are bringing together many lives such as the sensitive new priest and Miss Ross the slight beautiful schoolteacher Leonora the privileged daughter of the town s richest family and Foxy Dunne whose father did time in jail and Nessa Ryan whose parents run Ryan s Hotel and two very different young men For now the secrets in Shancarrig s shadows are starting to be revealed from innocent vanities and hidden loves to crimes of the heart and even to murder Praise for The Copper Beech A book with a difference You ll take it home to lend to your best friend The New York Times Book Review Binchy makes you laugh cry and care Her warmth and sympathy render the daily struggles of ordinary people heroic and turn storytelling into art San Francisco Chronicle The Copper Beech finds author Maeve Binchy at her Irish storytelling best Cleveland Plain Dealer

The Copper Beech Maeve Binchy,2007-12-26 Esther Page has been trying to keep things together for as long as she can remember Valley that s her mama has always gotten funny notions like gardening indoors or living as the Amish do without any electricity And Esther has always cleaned up after those notions and watched out for her little sister Ruth But Valley s notions are getting wilder and too many people are asking questions about what s going on at home It seems to Esther that the only person who can help is Ezekiel the father she can barely remember Ezekiel was a preacher that much is certain so Esther takes Ruth on a search through all the churches in town Somebody somewhere must know about Ezekiel

Nature Spirits of the Trees Verena Stael von Holstein,2019-12-11 People often ask us about the best way to come close to nature and the beings enchanted within it One way to do so is through wonder and astonishment to open our senses fully to nature's beauty and wisdom And here we can encounter entities that most closely resemble human beings the trees Verena has learned to communicate with elemental and nature beings and to translate their language into terms we can understand In her remarkable book *Nature Spirits and What They Say* she conversed with a range of beings including spirits of fire air water and stone In this new volume we hear from trees the nature spirits that in many ways are most similar to human beings Through Verena's remarkable clairvoyant abilities conversations with different tree species such as sweet cherry rowan elm and common oak are relayed These communications reveal compelling insights into the role of trees within the natural world and their relationships with the vegetable animal human and spirit kingdoms Particular emphasis is placed on the characteristics of trees that correspond with qualities of the human soul such as the oak's connection to individualism The tree spirits want to speak and are

responsive all kinds of questions such as their roles in the landscape their specific shapes on problems that affect them in particular and on urgent issues that are relevant to all beings on earth such as climate change The interviews disclose beautiful fascinating and often challenging insights offering inspiration to help us build more constructive relationships to these wonderful entities
