The Copulation Explosion Rod Gray,1970      *The Copulation Explosion* Phil Hirsch,1974      *A Sexual Odyssey* Kenneth E. Maxwell,2013-11-11 The Brave New World of Sex We've seen in less than a generation a swift revolution in human sexual behavior attitude and consequences so dramatic that some people are left in a state of stunned dismay and the public at large in aimless confusion Much of the trend if you can call a revolution a trend is fueled by or at least made possible by technological innovations dating back to the middle of the twentieth century The birth control pill opened the gate to promiscuity with little fear of pregnancy marriage became an annoyance divorce became an opportunity two working parents became a necessity and teenage sex became nearly as socially acceptable as holding hands or going to the movies The copulation explosion resulted in a spiraling epidemic of children giving birth to children many of them on welfare Girls seeking relief through abortions were sometimes forced to have their unwanted offspring despite the inevitability of some of them living in poverty and a desperate dead end environment of squalor and crime Some misguidedly wanted babies and ended up the same way To top it all discipline 2 *A Sexual Odyssey* became a lost art leaving schools and neighborhoods infested with gun toting knife wielding teenage delinquents even in middle class areas who engaged in contests to see who could get the most girls knocked up The chaotic state of fornication mating and birthing may be a throwback to the past

**The Rise and Fall of Triumph** Mark D. Popowski,2011-12-16 This is a history of Triumph a post Vatican II Roman Catholic lay magazine that examines its origins and decline paying special attention to the editors often bellicose views on a range of issues from Church affairs to the Vietnam War and civil rights to abortion Triumph's editors formed the magazine to defend the faith against what they perceived as the imprudent and secular excesses of Vatican II reformers but especially against what they viewed as an increasing barbarous and anti Christian American society Yet Triumph was not a defensive magazine rather it was audaciously triumphalist proclaiming the Roman Catholic faith as the solution to America's ills The magazine sought to convert Americans to Roman Catholicism and to construct a confessional state which subjected its power to the moral authority of the Roman Catholic Church If the liberalizing and secularizing trajectory in American society exalted man as sovereign of himself and his world as Triumph's editors posited then their mission was to reinstitute Christ's
