## **The Fratricides:**

**The Fratricides** Nikos Kazantzakis,1964 The Fratricides is about internecine strife in a village in the Epirus during the Greek civil war of the late 1940s Many of the villagers including Captain Drakos son of the local priest Father Yanaros have taken to the mountains and joined the Communist rebels It is Holy Week and with murder death and destruction everywhere Father Yanaros feels that he himself is bearing the sins of the world

**The Complete Plays of Jean Racine** Jean Racine,2011-01-21 This is the second volume of a projected translation into English of all twelve of Jean Racine s plays only the third time such a project has been undertaken in the three hundred years since Racine s death For this new translation Geoffrey Alan Argent has taken a fresh approach he has rendered these plays in rhymed heroic couplets While Argent s translation is faithful to Racine s text and tone his overriding intent has been to translate a work of French literature into a work of English literature substituting for Racine s rhymed alexandrines hexameters the English mode of rhymed iambic pentameters a verse form particularly well suited to the highly charged urgency of Racine s drama and the coiled strength of his verse Complementing the translation are the illuminating Discussion intended as much to provoke discussion as to provide it and the extensive Notes and Commentary which clarify obscure references explicate the occasional gnarled conceit and offer their own fresh and thought provoking insights Bajazet Racine s seventh play first given in 1672 is based on events that had taken place in the Sultan s palace in Istanbul a mere thirty years earlier But the twilit twisting passageways of the Seraglio merely serve as a counterpart to the dim and errant moral sense of the play s four protagonists Bajazet the Sultan s brother Atalide Bajazet s secret lover Roxane the Sultanness who is madly in love with Bajazet and dangles over his head the death sentence the Sultan has ordered her to implement in his absence and Akhmet the wily well intentioned Vizier who involves them all in an imbroglio in the Seraglio with disastrous consequences Unique among Racine s plays Bajazet provides no moral framework for either protagonists or audience We watch as these benighted characters cut adrift from any moral moorings with no upright character at hand to serve as an ethical anchor and no religious or societal guidelines to serve as a lifeline flail flounder and finally drag one another down Here Racine has presented us with his four most mercilessly observed most subtly delineated and most ambiguously fascinating characters Indeed Bajazet is certainly Racine s most undeservedly neglected tragedy
