The Art Theater Sheldon Cheney, 1925 **The Art Theater** Sheldon Cheney, 1925 *The Art Theatre* Sheldon Cheney, 1917 **The Art Theatre** Sheldon Cheney, 2015-06-24 Excerpt from *The Art Theatre A Discussion of Its Ideals Its Organization and Its Promise as a Corrective for Present Evils in the Commercial Theatre* This book has grown out of an unusual combination of circumstances The first impulse toward its writing came when I was interested more than a year ago in a project lately deceased for an art theatre in Berkeley The problems arising then sent me searching through a mass of fugitive material One result was a determination to prepare a model plan for an art theatre in a small American city In the light of later experience I am duly thankful that I did not complete the plan with my then purely theoretical knowledge Instead I went to Detroit where I saw from the inside the inauguration of activities at the Arts and Crafts Theatre and had to do in a subordinate capacity with all but one of the subsequent productions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Art Theater** Sheldon Cheney, 1925 *The C that Preceded the Choir: the Art Theater in New York, 1915-1929* Donald Douglas Babcock, 1968 *The Art Theatre* Sheldon Cheney, 2017-09-12 Excerpt from *The Art Theatre A Discussion of Its Ideals Its Organization and Its Promise as a Corrective for Present Evils in the Commercial Theatre* My point of view differs from that of some other writers about little theatres in that I consider them important only as steps toward something better In all the excitement about little theatres we are in danger of losing sight of the higher ideal the art theatre I have tried to keep that ultimate ideal constantly in mind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Writer in Petrograd and the House of Arts* Martha Weitzel Hickey, 2009-06-16 Founded by Maksim Gorky and Kornei Chukovsky in 1919 and disbanded in 1922 the Petrograd House of Arts occupied a crucial moment in Russia's cultural history By chronicling the rise and fall of this literary landmark this book conveys in greater depth and detail than ever before a significant but little studied period in Soviet literature Poised between Russian culture's past and her Soviet future between pre and post Revolutionary generations this

once lavish private home on the Nevsky Prospekt housed as many as fifty six poets novelists critics and artists at one time during a period of great social and political turbulence And as such Hickey contends the House of Arts served as a crucible for a literature in transition Hickey shows how the House of Arts though virtually ignored by Soviet era cultural historians played a critical role in shaping the lively literature of the next decade a literature often straddling the border between fiction and non fiction Considering prose writers such as Yevgeny Zamyatin Olga Forsh the Serapion Brothers group Viktor Shklovsky Boris Eikhenbaum as well as poets including Alexander Blok Nikolay Gumilev Anna Radlova Osip Mandelstam and Vladislav Khodasevich she traces the comings and goings at the House of Arts the meetings and readings and lectures and most of all the powerful influence of these interactions on those who briefly lived and worked there In her work the Petrograd House of Arts appears for the first time in all its complexity and importance as a focal point for the social and cultural ferment of the day and a turning point in the direction of Russian literature and criticism

Manual of the National Art Theatre Society of New York National art theatre society, New York,1904 Vladimir Nemirovich-Danchenko and the Moscow Art Theatre Inna Solovyova,2025-03-11 This is an authorized translation of Nemirovich Danchenko Moscow 1979 by Inna Solovyova historian author and senior researcher of the Moscow Art Theatre Archives Untranslated before now it is the only comprehensive account of the life and work of Vladimir Nemirovich Danchenko 1858 1943 co founder with Konstantin Stanislavsky of the Moscow Art Theatre and one of the pioneers of the art of directing Nemirovich Danchenko was one of the few prominent theatre practitioners who lived and worked from Russia s Tsarist period through the inception and consolidation of its Soviet period Thus it is also a story about the development of Russian society and culture during the last half of the nineteenth century and the Soviet half of the twentieth century Additionally it explores the Moscow Art Theatre s interpretive and production work on the plays of Chekhov Shakespeare Ibsen Dostoevsky Leo Tolstoy Maxim Gorky and many others The central theme of the book focuses on the contingent dialectical relationship between artists and their changing socio political realities The author s narrative is stylistically informal and based on archival documents most of which are referenced here for the first time in English and will be of great interest to students and scholars in theatre and performance studies
