On an especially bad day he discovers a ceiling door to an attic and climbs up on it. In the attic he discovers a trunk that he later finds out has magical powers and he wants to use them to get his father back. What kind of magical powers are in this box? Will Raymond get his father back along the journey?

A thin window of consciousness differentiates two states of the mind: self hypnosis and meditation and this book will show their similarities and define each condition and accessibility. If you're curious enough to at least peruse this book then the ability to learn these techniques is already a part of your consciousness and will soon to be recognized. Lucky you! Your subconscious is prompting you to investigate. It is saying that you are capable of deeper states of mind. Many have tried to focus to learn either self hypnosis or meditation and failed.
