Backslider Andrew Fuller,1840 *The Backslider* Grant Allen,1901 **The Backslider in Heart** Charles Finney,2020-03-24 This Classic book *The Backslider in Heart* introduces and orients the reader to critical biblical theological thinking from a biblical perspective Finney s presentation is written with a clarity that fosters biblical thought and facilitates Bible comprehension You won t be disappointed While staunch Calvinists believed in the perseverance of the saints Finney believed that a Christian could backslide or turn back from the Christian life and revert to a life of sin In this address Finney clarifies his theology of backsliding first explaining what it is not then what it is He describes what a backslidden life might look like and what consequences living in sin bring upon the sinner Finney is consistently one of the best Bible scholars and this one is at the top of his writing He s bold in his writings but solid in Scripture It s impossible to measure the influence of Finney over God s church His works remain in print and are widely read which shouldn t surprise us He is considered one of the most outstanding pastoral evangelistic writers on practical and devotional themes

The Backslider Levi S. Peterson, 2013-02-15
Recognized as a Mormon classic twenty years after its release The Backslider features longstanding Christian conflicts played out in a scenic sparsely populated area of southern Utah A young ranch hand Frank Windham conceives of God as an implacable enemy of human appetite He is a dedicated sinner until family tragedy catapults him into an arcane form of penitence preached among frontier Mormons He is saved by an epiphany that has proved controversial among readers either interpreting it as an extreme impiety or celebrating it as a moving and entirely plausible rendering of a biblical theme in a Western setting Frank comes into contact with a host of rural and urban characters Of central importance is his Lutheran girlfriend Marianne whom Frank seduces begrudgingly marries and eventually loves Frank's extended family is just a generation removed from polygamy and still energized by old time grudges and deprivations Along the way Frank encounters a closeted secular humanist a polygamist prophet a psychiatrist a Mason government employees college professors lawyers and entrepreneurs all drawn with heightened realism reminiscent of Charles Dickens or the grotesque forms of William Faulkner and Flannery O'Connor The story engages readers as it alternates almost imperceptibly between Frank's naive consciousness and the more informed awareness of its narrator It can be read as a love story a satiric comedy or a dark and sobering study of self mutilation Shifting from one to another it builds suspense and elicits complex emotions among them a profound sense of compassion More joyous than cynical it sympathizes deeply with the plight of all of God's backsliders

The Backslider in Heart Charles Grandison Finney, 1980 **The Backsliders** William Lindsey, 1922 **The Backslider in Heart** Charles Finney, Classic Domain Publishing, 2014-07-06 The backslidden condition is a lot more common than people like to believe especially about one self You may fool yourself into believing that you are in good shape with the Lord But let me tell you if you have a sin or sins you have not overcome yet then that is a very real sign that you are not in a pure state before God i.e. backslidden or lukewarm Take the diagnoses that Charles Finney gives and carefully and soberly consider whether you have any backslidden tendency in your heart or actions Because of the deceitfulness of sin you may not be very good at your own diagnosis Earnestly ask the Holy Spirit what areas in which you need to overcome If you already know you need to overcome that is a good sign that you are hearing from God Then take the crucial next step and earnestly ask the Lord to help you overcome ALL sin Including any disobedience It is a great deal more important than you realize
