The World & I, 1987 *Counterlife* Philip Roth, 1996-08-01 The *Counterlife* is about people enacting their dreams of renewal and escape some of them going so far as to risk their lives to alter seemingly irreversible destinies Wherever they may find themselves the characters of The *Counterlife* are tempted unceasingly by the prospect of an alternative existence that can reverse their fate Illuminating these lives in transition and guiding us through the book's evocative landscapes familiar and foreign is the mind of the novelist Nathan Zuckerman His is the skeptical enveloping intelligence that calculates the price that's paid in the struggle to change personal fortune and reshape history whether in a dentist's office in suburban New Jersey or in a tradition bound English Village in Gloucestershire or in a church in London's West End or in a tiny desert settlement in Israel's occupied West Bank
