The Creators:

The Creators May Sinclair, 2004-11-30 May Sinclair's *The Creators* is a study of a group of writers and would-be writers and their struggles and/or accommodations within the literary marketplace. It deals with the trials and tribulations of literary celebrity and with lack of recognition. It also focuses on the doubts and self-divisions of the artist and on his or her battles with conventional gender roles. The novel's subtitle, *a comedy*, puzzled some of its first readers and reviewers. The TLS speculates that the comedy must lie in that fact that the creators believe that they are geniuses. Sinclair does not take her characters as seriously as they take themselves, but her social comedy also exposes the limitations of the conventional middle-class world which either exploits or fails to understand them. First serialized in the *Century Illustrated Monthly Magazine* between November 1909 and October 1910, *The Creators* was first published in book form by John Constable in 1910. This edition restored the numerous and extensive cuts that were made to Sinclair's manuscript during the process of the novel's serialization.

The Creators Daniel Dewey, 2009-09 In this classic story of a boy and his dog and interdimensional time travel, a teenage boy explores the infinite possibilities that exist in other dimensions of being and discovers the power of the human mind. Written in 1999 and 2000. *Outlook and Independent*, 1911

Tyler the Creator: Alternative Hip-Hop Producer Marie Jaskulka, 2019-12-15 This biography highlights the life and accomplishments of Tyler the Creator. Features include a timeline, glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards.
