PETER CAPALDI
CUSH JUMBO

The main image is a promotional poster for the TV series "Criminal Record". It features a close-up, profile view of Peter Capaldi and Cush Jumbo. Peter Capaldi is on the left, looking towards the right with a serious expression. Cush Jumbo is on the right, also looking towards the right. The lighting is dramatic, highlighting their faces against a dark background. At the bottom of the image, there is a horizontal bar with a grid pattern, resembling prison bars. In the center of this bar, a small, dimly lit image shows a man's face looking out from behind the bars.

Young black people and the criminal justice system Great Britain: Parliament: House of Commons: Home Affairs Committee,2007-06-15 **Young black people and the criminal justice System** Second report of session 2006 07 Vol 2 Oral and written Evidence **Philippine Law on Torts and Damages** J. Cezar S. Sangco,1993 **Defendant Participation in the Criminal Process** Abenaa Owusu- Bempah,2016-10-04 Requirements for the defendant to actively participate in the English criminal process have been increasing in recent years such that the defendant can now be penalised for their non cooperation This book explores the changes to the defendant s role as a participant in the criminal process and the ramifications of penalising a defendant s non cooperation particularly its effect on the adversarial system The book develops a normative theory which proposes that the criminal process should operate as a mechanism for calling the state to account for its accusations and request for official condemnation and punishment of the accused It goes on to examine the limitations placed on the privilege against self incrimination the curtailment of the right to silence and the defendant s duty to disclose the details of his or her case prior to trial The book shows that by placing participatory requirements on defendants and penalising them for their non cooperation a system of obligatory participation has developed This development is the consequence of pursuing efficient fact finding with little regard for principles of fairness or the rights of the defendant
