Shneidman, 1965      **The Bears of Blue River** Charles Major, 2023-11-01 Charles Major's novel *The Bears of Blue River* beautifully captures the spirit of frontier life in early 19th century Indiana. The story follows young Balser Brent as he develops a deep connection with the wild bears that roam the Blue River area, showcasing Major's vivid descriptions of nature and adventure. Written in a straightforward and engaging style, the novel reflects the American literary tradition of regionalism and the romanticized portrayal of nature. Major's emphasis on the bond between humans and animals highlights themes of friendship and respect for the wilderness. The novel's timeless appeal lies in its nostalgic depiction of a bygone era and its celebration of the untamed beauty of the natural world.

**The Motor Boys on the Border** Clarence Young, 1913 When Jerry Ned and Bob returned from an automobile ride one day and saw a great crowd around the railroad station of their home town they were somewhat excited. They were made more so when they saw Jim Nestor the foreman of the mine in which they held an interest and another Westerner wildly digging on the tracks. And when they heard the murmurs of gold they did not know what to think. And from then on they were involved in happenings that did not cease when they set out to recover the sixty nuggets so strangely hidden on the border. Though the gold on the railroad tracks did not amount to much the other pocket of the precious yellow metal did as you will learn in the pages that follow. In this book you may also read of the search Professor Snodgrass made for some luminous snakes and how he found them and I have also taken pleasure in writing for you an account of how Noddy Nixon tried to get away from the motor boys the gold they worked so hard for and how our heroes braved even the perils of a band of Blackfeet Indians who had escaped from their reservation.      **The Northwestern Miller**, 1904      *Hymns Ancient and Modern for the Use in the Services of the Church* Anonymous, 2024-02-01 Reprint of the original first published in 1875.
