gives you a framework and thinking tools that will help you to improve the odds of getting more of what you value from every choice You will learn The six requirements for decision quality and how to apply them The difference between a good decision and a good outcome Why a decision can only be as good as the best of the available alternatives Methods for making both significant and strategic decisions The mental traps that undermine decision quality and how to avoid them How to deal with uncertainty a factor in every important choice How to judge the quality of a decision at the time you re making it How organizations have benefited from building quality into their decisions Many people are satisfied with good enough when making important decisions This book provides a method that will take you and your co workers beyond good enough to true Decision Quality *The Friday Dilemma* Previn Taylor,2005-09-01 Overnight Saul Thud Anthony senior safety at Williams High is elevated from bench warming scrub to a rising star on one of Virginia s best high school football teams Adjusting to changes in his responsibilities on the football field as well as that of his newfound prestige is no easy task at the suburban Camelot esque school ruled by the centerpiece couple Thud s star teammate Ajax and his nemesis the fittingly superlative head cheerleader Afrika The invincible Ajax and the stunning Afrika represent the bourgeois and the rest of the students are sorted out in a rigid social caste system Lost somewhere in the void of underclassman anonymity is Thud s sensitive and vulnerable platonic friend Ali who seeks her own niche in school s complex social order through the upcoming homecoming court elections Already a balancing act between his on field heroics his brimming hostilities with Afiika and his evolving relationship with Ali Thud s season turns bizarre when he finds a haunting and anonymous suicide note that has been left in his locker At first he dismisses the strange letter as a joke But as the football season intensifies Thud discovers more similarly penned and progressively disturbing notes in his locker His increasing distraction becomes twofold when Afiika cruelly sabotages Ali s homecoming court campaign As he consoles Ali coincidences and clues somehow corroborate and they discover that the author of the suicide notes is the last person they would expect Now Thud finds himself involved in an unreal moral quandary where doing the right thing may not be the right thing to do As Thud searches for a resolution the pressure intensifies threatening hisand Ali s friendship as well as his own delicate dreams of Friday night glory *Dilemmas of Authenticity* Zaid Adhami,2025-05-07 The past two decades have witnessed pervasive anxieties in US Muslim communities around a perceived crisis of faith As Zaid Adhami argues in this richly textured ethnography these concerns are fundamentally about the pressures and dilemmas of authenticity what it really means to be a Muslim While discussions about authenticity in Islam typically focus on maintaining tradition and competing claims to true Islam Adhami focuses instead on the powerful idea of being true to one s own self and what it means to have genuine belief Drawing on extensive conversations with American Muslims and careful readings of broader communal discourse Adhami shows that this drive for personal authenticity plays out in complicated ways It can produce deep doubt while also serving as the grounds to affirm tradition It can converge with revivalist modes of piety but it can also prompt emphatic challenges to communal orthodoxies

Through vivid storytelling and sensitive analysis Adhami illuminates why religious doubt is often a source of intense anxiety in today's world and how people maintain their faith despite such unsettling uncertainty *Present-day Dilemmas in Religion* Charles Whitney Gilkey, 1928 *Ethical Dilemmas in Public Administration* Lynn Pasquerella, Alfred G. Killilea, Michael C. Vocino, 1996 Scholars and administrators of public agencies concerned with health corrections education and other matters offer 12 views of ethical issues They discuss public disclosure professional responsibility and confidentiality reforming organizational culture gender issues and loyalty A final essay proposes reform through democratic civic institutions Annotation copyright by Book News Inc Portland OR Great Jewish Debates and Dilemmas Albert Vorspan, 1980 Vorspan presents contemporary concerns of the total community not just the Jewish community and asks that the moral values of Judaism be applied to them age 12 and up *Love's Dilemmas* Robert Herrick, 1898 **Human Dilemmas of Leadership** Abraham Zaleznik, 1966 **Report** Commonwealth Shipping Committee, 1915 *New York Court of Appeals.
