loss The lifestyle phase of the plan is easily customizable to promote ongoing weight loss or maintenance The diet is not Paleo Keto or low carbohydrate but rather carbohydrate controlled based on each woman s personal response The authors also emphasize the importance of getting to the root cause of unhealthy eating habits and the value of short term intermittent fasting a simple lifestyle change that makes it easier and more effective for many mature women to reach their health and weight loss goals They also offer virtual coaching support through their Eat Live Thrive Academy [Targeting Media](#) Megan De Kantzow,Sue Stubbs,2000 The Targeting Media series breaks down each media form into its components and provides sample texts information on the structure and feature of each text type and structured teaching units Each text type is given comprehensive coverage with a clear descriptive overview followed by interesting lessons for students in middle high school
