The Limousine:

Behind the Scenes of the Limousine Industry Raul Perales,2017-10-18 Whether you are an owner operator or an in house chauffeur working in the limousine industry does have its pros or cons Whether its bribing the dispatchers somehow or receiving hush gratuity limo chauffeurs tend to survive financially one way or the other even though the special black cars or taxis are in every major city in the United States and around the world These new transportation companies are now the new competitors against the global limousine industry Pricewise or servicewise the transportation consumer will make his or her own choice

The Manipulator Daniel Carnahan,2015-06-16 Mac Thornsby grew up on the streets He s used to doing anything to survive but homicide That s outside his comfort zone However Mac is soon the prime suspect in a murder investigation after he is discovered unconscious at the scene of the bloody crime Jim MacDonald a deputy district attorney is assigned the case along with seasoned homicide detective George Westbend But Mac s guilt is quickly called into question when additional dead bodies turn up All the victims appear to be connected to local mob boss Manicelli and Weatherford the city s most prominent and possibly dirty businessman As Jim digs deeper he becomes personally involved when a dead woman believed to be an undercover agent is found in his bed Not only is the integrity of the murder investigation out the window but so is the respectability of the district attorney s office Apparently the murdered woman had evidence against Manicelli and Weatherford so someone decided to shut her up Jim soon finds himself pursued by Manicelli who suspects Jim might have the missing evidence against him With the help of an ex CIA agent Jim must find the truth against the mob and all those involved Otherwise his reputation could be forever tarnished or worse he could end up the next victim
