Throwaway Child:

Throwaway Child Sarah Lowe,2013-06 Annie was her family s dark secret Her life began on a storeroom floor amongst the chaos and extreme poverty of World War II Her ongoing problem of having one leg shorter than the other was helped when unknown to her parents she sought help at a children s clinic where she was provided a built up boot to help her walk She was eight years old when her father took away her innocence and subjected her to horrific cruelty Savagely beaten and thrown down a railway embankment she was left in the winter cold to die on the railway tracks Annie survived only to be place in a convent She not only had to face her demons but find her identity when she became a Throwaway Child Through sheer willpower and inner strength Annie was determined to fight for her freedom by unleashing her parents terrible secret Sarah Lowe grew up in Birkenhead England and now calls Australia home This is her first book My late husband Jack motivated me into finishing this book because he said I needed to rid the demons I have kept hidden inside of me for far too long Publisher s website <http://sbpra.com> SarahLowe **Throwaway Child** Frederick H. Savage,2001 *The Throwaway Kids* Peggy Case Aldhizer,2012-10-15 I cannot even now say how many nights I lay in bed and hugged my pillow to me burying my face in it and cried and whispered Mommy Mommy or Daddy Daddy where are you I would pray that somehow they could hear me Sometimes even as young as I was I felt so desperate so alone and I knew Mom and Dad would never come for us I would lie in my bed in the darkness at night and pray so hard and I felt that not even God heard me anymore There were so many different homes we were in and we were so young We became little throwaways little sheep Sometimes we were able to stay with our father but only for a very short time Whenever Dad could not pay for our board he was in jail or sick we were moved again and again Always obliging and quiet learning quickly that crying and begging and clinging to Dad did not help us We had our times to laugh as children who even in the worst of their situations can do and our time to weep as we did all too often Thank God we had each other two little sisters against the world that at times seemed too big and scary and extremely uncertain **Runaway Kids and Teenage Prostitution** R. Barri Flowers,2001-06-30 This concise and accessible new text examines the correlations between runaway children and teenage prostitution in the United States from a criminological sociological and psychological perspective The author takes a systematic approach to defining and describing the differences between youth who run away from home and those who leave institutional settings and distinguishes the difference between runaway and throwaway children A careful examination of teenage prostitution among girls and boys helps to illuminate the special problems faced by children who have run away In addition the author discusses laws related to runaways teenage prostitution and the sexual exploitation of minors as well as the criminal justice response to the problems Runaways and prostitution involving youth in other countries is also explored The text s findings support current conclusions on the characteristics of runaways the relationship between runaways and teen prostitution and the implications of running away from home Runaway Kids and Teenage Prostitution is divided into five parts Part I examines the

scope and dynamics of running away and differentiates between runaways and throwaways Part II explores teenage prostitution and provides information on girl and boy prostitutes and the people who exploit them Child sexual abuse and child pornography as correlates to the problem are studied in Part III and Part IV reviews the law that attempts to combat teenage prostitution Part V is devoted to an examination of the scope and significance of the problem in other countries Together these chapters provide readers with a clear picture of the problem of runaways and teenage prostitution in the United States and around the world
