Selected Poems A.M. Klein, 1997-12-15 Throughout his career A M Klein struggled to define for himself the role of the poet in the contemporary world Deeply rooted in the traditions of Judaism and at the same time powerfully attracted by the freedom and scope of international modernism he sought to reconcile past and present community and creative individuality Whether or not he finally achieved his own high aims it was in his own words something merely to entertain them The result was a body of work immensely rich and varied in tone language cultural resonance This collection of eighty four poems offers a representative sampling of Klein s finest poetry while taking into account the changing critical discourse of the last fifty years Anyone interested in experiencing the full range of Klein s poetic achievement or in understanding the complex nature of the poet need look no further than this eminently readable volume

**Throwback** James Kirkup, 1992 Smoke from smouldering sea coal bitter harsh and salty as the air veils the grey slate roofs the harbour lamps the quays the steps the figures on the dreaming bridge The waters of the early morning tide wash the harbour with the tranquil light that lies also on misted tiles from which whole families of chimneys rise working ghosts of brick Mornings in Whitby After a life of travel Kirkup goes back to his beginnings on Tyneside to early friendships and influences to the warmth of his family and beyond to pay homage before the body of a two thousand year old Dane inhabitant of my ancestral land *Throwback* is illustrated with photographs from Kirkup s family album
