Thrusting Into Darkness:

In Darkness Waiting John Shirley, 2013-10-07 No writer combines the delight in dread with social consciousness and metaphysical meaning the way John Shirley does Although *In Darkness Waiting* begins in much the same vein as many horror novels mysterious deaths a small town invaded by evil plucky attractive young lovers the logical level headed doctor some salt of the earth townsfolk by its end you will have discovered it is not just another horror novel With its exploration of the insect inside us all *In Darkness Waiting* proves more relevant today than ever Considering a read of *In Darkness Waiting* is like considering a trip through the Amazon with no weapons and no vaccinations and no shoes It s like contemplating a journey in the Arctic clad only in your underwear Or maybe it s more like dropping into one of those spelunker s challenges those chilling pitch black shafts into the Earth s crust and when you get down there your light burns out and you remember the chitinous fauna of the cavern Unlike undertaking those endeavors you can get through the harrowing pages of *In Darkness Waiting* alive although we are not promising you ll remain unscathed Towards the end you ll discover one of the most extreme yet literate passages ever written It may well be the most outr scene ever created But John Shirley wasn t after shock alone Shock is never enough for him

The Overcomer's Anointing Barbara J.
