The Thunder of Silence Joel S. Goldsmith, 1993-06-11 The famed lecturer and teacher explains the principle that there is an inner grace available to all and offers concrete directions for hearing and understanding the voice of God *West Moon* Al Pittman, 1995 *West Moon* is set in Newfoundland during the time of resettlement in the mid 1960s Though the play explores some serious social political moral and theological themes it does so with a unique blend of pathos and humor Though the characters are dead and subject to different degrees of despair they come vigorously alive as we meet them for a brief while within the confines of their mortality This is this first authorized publication of this work by one of Newfoundland s most highly regarded writers *Psychology* William James, 1892 *The Principles of Psychology* William James, 1918
