Thunder Doesn't Live Here Anymore:

Thunder Doesn't Live Here Anymore Anath Ariel de Vidas, 2004 Now available in English *Thunder Doesn't Live Here Anymore* explores the highly unusual worldview of the Teenek people of Tantoyuca whose self deprecating cosmology diverges quite radically from patterns of positive cultural identity among other indigenous groups in Mexico The Teenek speak of themselves as dirty dumb ignorant and fearful a vocabulary that serves to justify the Teenek's condition of social and spatial marginality in relation to their mestizo neighbours However as Anath Ariel de Vidas argues in this masterful ethnography this self denigration added to the absence among the Teenek of emblematic Indian features such as traditional costumes agricultural rituals specific ceremonies or systems of religious cargoes or offices are not synonymous with collective anomie Rather as Ariel de Vidas demonstrates their seeming ontological acceptance of a marginal social and economic condition is in its own peculiar way a language of indigenous resistance

GI Joe Doesn't Live Here Anymore

Thomas C. Utts, 2006 Early in the 20th century the hoofbeats of U S Cavalry horses were a familiar sound at America's new base in the Philippines At the beginning of WWII Japanese bombs destroyed American planes on the runway After the war the base played a vital role providing men and equipment to wars in Korea and Vietnam until the 1991 monster eruption of Mt Pinatubo sent American airmen away never to return This gritty poignant humorous and sometimes disturbing chronicle reconstructs the 90 year history of what was the largest and one of the most colorful overseas United States military bases That story is told in previously unpublished letters writings and personal accounts by the men women and families who were stationed there

The Lightning Jar Christian Felt, 2018-10-15 *The Lightning Jar* is about lonely children It may be more about lonely children than any other book These children are good at making imaginary friends but have trouble keeping them For instance there's the Morra who plunges the world into eternal winter But she also teaches Mons the meaning of love and helps him burn down his house after some Gypsies turn it into a middle school Then there's the Gorbel Amanda invented it to scare the Guest but it ended up liking him best A bit like a cat but more like a spider it turned out a lot cuter than she'd intended And the Wisps they're pretty unhappy about being dead Karl accidentally turned his smallest cousin into a Wisp They were trying to catch some lightning in a jar but they caught the smallest cousin's ghost instead Karl had to drown it for its own good Something similar happened with his grandma Astrid and a rock named Melisande But the loneliest character is probably Christian He insists on being from J mtland where Karl and Amanda live When his cousin Eskild got married Christian rewrote their past so it's like *The Little Mermaid* except Eskild drowns and Christian doesn't earn a soul In the spirit of Tove Jansson William Blake and Calvin Hobbes *The Lightning Jar* contains a volatile mix of innocence and experience faith and doubt nostalgia and a sense of all there is to gain by accepting reality on fresh terms
