Tiaramoon Child:

Moonchild Aleister Crowley, 2018-03-31 A year or so before the beginning of World War I a young woman named Lisa la Giuffria is seduced by a white magician Cyril Grey and persuaded into helping him in a magical battle with a black magician and his black lodge Grey is attempting to save and improve the human race and condition by impregnating the girl with the soul of an ethereal being the moonchild To achieve this she will have to be kept in a secluded environment and many preparatory magical rituals will be carried out The black magician Douglas is bent on destroying Grey s plan However Grey s ultimate motives may not be what they appear The moonchild rituals are carried out in southern Italy but the occult organizations are based in Paris and England At the end of the book the war breaks out and the white magicians support the Allies while the black magicians support the Central Powers Wikipedia *The Moonchild* Aleister Crowley, 1970-01-01 Crowley s most famous novel A young girl is drawn into a magical war between two men and is forced to choose between them The reader is taken through an incredible series of magical intrigues involving a Black Lodge Written from personal experience this work describes the methods and theories of modern magical practices First published in 1917 **Separated Soul** Shaene Ragan, 2016-10-06 When Feline the High Sorcerer tries to locate the spirit of his sister sorceress Porpoise he is shocked to discover that her soul has been split in two Half of her lives as an undead dark witch on the northern moors while the other is a sorceress who rises and sets with the light of Phoebe Artemis To unite the two halves of his old friend Feline must himself take on two identities and carefully weave a web of influence First he becomes a cunning cat and charms his way into the dark witch s trust He also becomes a sorcery tutor claiming to be of the vanished Elf Nation to whisper in the ear of the Moon s foster child Just as he begins to think his plan will succeed his task becomes more difficult when the two sides of Porpoise take opposite positions on the lives of the Romanized Celts and the Saxons after the Romans abandon the area With both the soul of his friend and the lives of countless mortals in the mix he must tread carefully to avoid a catastrophe To make matters worse an extraterrestrial parapsychologist begins to stalk him from the astral plane making him realize that his actions may have consequences far beyond their little island Separated Soul is grand in scale and rich in unique characters Drawing from pre Celtic mythology and history it ties the mundane and fantastical together into a complex and compelling narrative of operatic proportions [The Gifted Luna](#) Mikiel Belzts, 2026-01-23 Tiara an omega who tragically lost her parents to unknown and strange circumstances lived on the outskirts of town in the remains of her parent s home as it was the one of the few things she had to remember them in her course to find out the cause of their untimely and forgotten death She lives all alone after serving as a maid in her uncle s house literally all day enduring hardships and isolation leaving her with little or no time to make ends meet To survive she gathered herbs from the woods a few miles away from her house and sold them at the market to make a living The woods that laid behind her house also served as the hunting ground for the alpha who is always accompanied by his most trusted aides and subordinates Fate finally intervened when Tiara and Edwin

met on one of their numerous visits to the woods Edwin discovered that they were fated to each other the moment her set his eyes on her but Tiara could not because she was an omega very weak at heart unable to feel the bond immediately Despite the fact that they clicked almost immediately their bond and choices faced so many challenges that threatened to tear them apart Will they overcome their challenges What will be Tiara s fate Will she be right by Edwin s side taking her rightful position as the Luna to the Darkmoon pack Will she find out the cause of her parents death

Sex and sex worship (phallic worship) Otto Augustus Wall,1919 Sex and Sex Worship Otto Augustus Wall,1922 **Sexual Alchemy** Donald Tyson,2000 Chances are that you ve heard of Tantra and Taoist sexual practices Now as a result of studying the inner mysteries of alchemy Donald Tyson presents a Western system of sacred sexuality in Sexual Alchemy Here you will learn how to have erotic relationships with loving spirits That means the methods presented here can function as a Western alternative to Eastern sexual practices They also can be used by a solitary person and need not depend upon the participation of a partner The first part of this book presents a history of sex with spirits It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick You will also learn how to create a physical representation of the spirit you are going to use as a partner The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself This includes techniques of diet exercise breathwork banishings purifications and finally an invocation ritual to summon the spirit who is going to be your lover Then you will learn the previously hidden secrets of having sex with a spirit lover You ll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy And then when you have accomplished your ritualized mating you will learn how to collect and use the resulting highly charged fluids for magical purposes Everything we are everything we have is a gift from the Divine Doesn t it make sense that we use all of our abilities to honor the source from which they came That means we can even make use of our sensual natures to honor the Gods If you want to follow a system based on western traditions this book can be your guide
