Brookins,2018-08-07 Why are we here Does life have meaning Does life have purpose What is the point of human life In this book Make Life Count these questions are examined and answered Life does have meaning Life does have purpose But it all starts with God It all starts with God because all life begins and ends with God Without God life has no meaning or purpose God is the creator Our lives are in his hands He is the giver of life the sustainer of life the restorer of life and the meaning to life Apart from God life is monotonous wisdom is vain wealth is futile and death is final How do we make life count We start with God We stay with God We submit to God This is the premise of this book All life has purpose Every story is important Every year matters Every ticktock of the clock is vital *There'S a War Inside Me* Deep Poetry,2015-03-17 For my second book I only wanted one thing To tell the truth As a poet I could write myself in and out of any fairytale I want and people would believe it But what about those whose lives arent butterflies and lemon drops What would they believe I want this book to be relatable I want people to know that there are other people out here who are struggling with their own secrets Some the same and some not I want to touch topics that many overlook or try to suppress A chance to acknowledge the good and bad to life I also want my followers to get to know who Deep Poetry is and how my life has not been perfect but an overwhelming struggle Theres so much that people dont know and Im tired of hiding

This is me freeing myself from hiding in the shadows Freeing myself from the pain of my past that still haunts and dictates my current state This is me growing not because I really want to But because I need to As I write this Im in awe at the amount of hardships that Ive endured and now Im here In this place In a position in full control exposing myself Exposing the rage the hate the happiness but the pain the pain will always be relevant And Im okay with that I want people to know that most of these poems hold more truth then one could imagine This war it wasnt easy as Ive been fighting it alone But I think its over Here goes

Escaping Eleven Jerri Chisholm,2020-12-08 My name is Eve Hamilton and I live in Compound Eleven Here the hierarchy of the floors is everything And on my floor we fight which is better than the bottom floor where they toil away in misery Only the top floor has any ease in this harsh world they rule from their gilded offices All because four generations ago Earth was rendered uninhabitable the sun too hot the land too barren Those who remained were forced underground While not a perfect life down here I ve learned to survive as a fighter Except my latest match is different Instead of someone from the circuit my opponent is a mysterious boy from the top floor And the look in his eyes tells me he s different maybe even kind right before he kicks my ass He could be my salvation He could be my undoing Because I m no longer content to just survive in Eleven Today I m ready to fight for more than my next meal I m fighting for my freedom And this boy might just give me the edge I ve been waiting for The Eleven trilogy is best enjoyed in order Reading Order Book 1 Escaping Eleven Book 2 Unraveling Eleven Book 3 Ending Eleven
