**Revisiting the European Union as Empire** Hartmut Behr, Yannis A. Stivachtis, 2015-06-26 The European Union stalled expansion the Euro deficit and emerging crises of economic and political sovereignty in Greece Italy and Spain have significantly altered the image of the EU as a model of progressive civilization However despite recent events the EU maintains its international image as the paragon of European politics and global governance This book unites leading scholars on Europe and Empire to revisit the view of the European Union as an imperial power It offers a re appraisal of the EU as empire in response to geopolitical and economic developments since 2007 and asks if the policies practices and priorities of the Union exhibit characteristics of a modern empire This text will be of key interest to students and scholars of the EU European studies history sociology international relations and economics **Jewish Frontier**, 1995 **Official Journal of the European Communities** European Parliament, 1986 Official Journal of the European Communities, 1982

*Frontiers in Question* Daniel Power, Naomi Standen, 1999-04-19 We are used to the idea that each state has clearly defined borders which cleanly separate different nationalities from one another What though were frontiers like before the evolution of the modern nation state The nine essays in this book seek to answer this question across a thousand years of Eurasian history Frontiers of Trade Julius Klein, 1929 **Frontier-free Europe**, 1998 **Transnational Railway Cultures** Benjamin Fraser, Steven D. Spalding, 2021-10-15 Since the advent of train travel railways have compressed space and crossed national boundaries to become transnational icons evoking hope dread progress or obsolescence in different cultural domains Spanning five continents and a diverse range of contexts this collection offers an unprecedentedly broad survey of global representations of trains From experimental novels to Hollywood blockbusters the works studied here chart fascinating routes across a remarkably varied cultural landscape Débats European Parliamentary Assembly, 1982 *The Cyclopedic Review of Current History*, 1896 **The Quarterly Register of Current History**, 1896 Stories of the "Boring Border" Anke Strüver, 2005 This book examines the open Dutch German border and people s everyday practices in relation to this border within the context of Dutch German relations and the process of European integration It concentrates on people s perceptions of the open Dutch German border and people s practices of crossing it or not The work also introduces new methodologies and forms of border research e g on borders in people s minds which are concerned with the construction of bordered spaces and the performed manners of nationalised daily routines In this context borders are framed as constructed by narratives and images but also as representations themselves as part of popular imaginations

*Democratic Politics in a European Union Under Stress* Olaf Cramme, Sara Binzer Hobolt, 2015 This book offers the first comprehensive political analysis of the Euro crisis that erupted in Greece in 2010 and subsequently threatened the very survival of the Euro area It has left a profound mark on democratic politics all over Europe changing public attitudes and voting preferences institutional and societal norms and deeply anchored political traditions The contributors to this volume

reveal the extent to which policymakers are torn between the pressures emanating from financial markets and the demands put forward by their own constituents how they struggle to reconcile national preferences with wider European interests and how a polarized and politicized Union seeks to maintain some degree of cohesion The emerging picture is that of a European Union under serious stress transformed by new governance structures and a shifting balance of power In response the authors evaluate the prospects of a more legitimate and democratic Europe They provide a rich and pluralist set of new analyses and proposals aimed at understanding and navigating the myriad tensions which surround the EU in the aftermath of the crisis If the European project is to regain the trust of its citizens such considerations must take a central place in public debate
