Tillys Rescue:

Tilly's Rescue Faith Jaques, 1980 A sequel to Tilly's House Tiny Tilly the plucky wooden doll sets out on a dangerous mission to rescue her friend Edward the teddy bear from among the crates and piles of vegetables in the greengrocer's shop and to bring him home for a proper Christmas celebration Tilly's Rescue, 1980 When her friend does not return from a Christmas shopping trip Tilly a tiny wooden doll sets out to find him Bohemians West Sherry L. Smith, 2025-10 The opening years of the twentieth century saw a grand cast of radicals and reformers fighting for a new America seeking change not only in labor picket lines and at women's suffrage rallies but also in homes and bedrooms In the thick of this heady milieu were Sara Bard Field and Charles Erskine Scott Wood two aspiring poets and political activists in the West whose love story uncovers a potent emotional world beneath this transformative time Self-declared pioneers in free love Field and Wood exchanged hundreds of letters that chartered a new kind of romantic relationship and their personal affair frequently intersected with their deeply engaged political lives As Field's star rose in the suffrage movement including a cross-country automobile trip she took in 1915 carrying a petition with thousands of signatures demanding Congress pass the Nineteenth Amendment she began to ask questions about her own power in her relationship with Wood Charting a passionate and tumultuous relationship that spanned decades Bohemians West offers a deeply personal look at a dynamic period in American history Abide with Me Sabin Willett, 2013-03-05 In this novel inspired by *Wuthering Heights* a small town bad boy forged by the fires of Afghanistan returns home still burning with a romantic obsession nothing can quench A small town bad boy forged into a man in the fires of Afghanistan returns home still burning with a romantic obsession nothing can quench As the fog lifts one morning a lone soldier is walking home Who is he The sleepy gossipy town of Hoosick Bridge Vermont has forgotten him but it will soon remember He is Roy Murphy returning to face his violent complicated reputation Returning to Emma Herrick descendant of Hoosick Bridge's first family who occupies its grandest now decaying house the Heights Their intense and unlikely adolescent romance provided scandalous gossip for the town The young lovers escaped Hoosick Bridge but Emma remained Roy's obsession long after they parted Now Roy returns from Afghanistan a changed and extraordinary man who will stop at nothing to obtain a piece of the Herricks legacy **A Radical Democratic Critique of Capitalist Education** Richard A. Brosio, 1994 Winner of 1994 AESA Critics Award This book offers a sober assessment of power in the U.S. and its K-12 public schools In spite of impressive democratic achievements in schools and society the hegemonic and raw power of antidemocratic capitalism is significantly greater The author's critical analysis which owes a debt to the Western tradition of radical democracy suggests that hegemony and repression are inextricably connected therefore the hopes for a more genuinely democratic polity and supportive education are problematic An unflinchingly tough evaluation of the realities and complexities of antidemocratic power and practice is of crucial importance to present democratic projects and the hope for their successful realization in our schools and extramural sites The challenge of postmodern thought to democratic
