Sacred Sex Tim Alan Gardner, 2009-01-16 For years Christians have been told that sex is God's creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple's sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to
