Toppers Autumn:

Knave of Spades Alan Titchmarsh,2009-09-17 When Alan left school at fifteen little was expected of him An O level in art is not the most obvious passport to success but in the ancient greenhouses of the local nursery Mrs T s little lad found his spiritual home learning his trade and the strange ways of human nature But the comfort and familiarity of his home in the Yorkshire Dales would soon be left behind as he journeyed south to college and then to Kew Gardens where he encountered rare plants collected by Captain Cook and a varied assortment of eccentrics in the world s most famous garden Spells as a teacher and editor followed until fate took a hand when he landed a job on BBC s Nationwide as their gardening presenter His childhood dream of inheriting the mantle of gardening god Percy Thrower was beginning to come true From the first faltering steps in radio and television to a career in broadcasting and writing Knave of Spades is a wonderfully warm and self deprecatingly honest memoir Alan Titchmarsh shows us just why he has become not only our favourite gardener but a popular writer and broadcaster too
