Toronto Map Large Print Format 2002 Edition:

Bibliographic Guide to Maps and Atlases ,2003 *The British National Bibliography* Arthur James Wells,2004

Discovering and Using Historical Geographic Resources on the Web Eva H. Dodsworth,L. W. Laliberté,2014-06-12

Historical geographic material like maps plans and air photos although collected and persevered by libraries archives and other heritage organizations are often hidden from the general public They can be difficult to find access and use Fortunately these caches of cartographic gems have been recognized and valued for their significant contribution to research As a result many of these collections have been recently digitized and made available to the public directly and freely online Acting as a comprehensive guide to online historical cartographic and other visual resources *Discovering and Using Historical Geographic Resources on the Web* provides library and archival staff and their users with information on how to locate interpret understand and use these resources Even for experts this book can serve as a handy reference that summarizes the different types of maps published providing comprehensive lists of where to access them This book is written for all library staff members who answer reference questions and provide library instruction and for those who are interested in digitizing their own cartographic collections It will also attract history buffs and scholars in environmental studies history earth sciences anthropology and more *Bulletin - Association Des Cartothèques Et Archives Cartographiques Du Canada* ,2001

Publishers Directory Cengage Gale,Gale Group,2004-02 Gale s Publishers Directory is your one stop resource for exhaustive coverage of approximately 30 000 U S and Canadian publishers distributors and wholesalers Organizations profiled in the Publishers Directory represent a broad spectrum of interests including major publishing companies small presses in the traditional literary sense groups promoting special interests from ethnic heritage to alternative medical treatments museums and societies in the arts science technology history and genealogy divisions within universities that issues special publications in such fields as business literature and climate studies religious institutions corporations that produce important publications related to their areas of specialization government agencies and electronic and database publishers **Publishers' Directory** Gale Group,2003 Provides detailed information on more than 20 000 U S and Canadian publishers including nearly 1 000 distributors wholesalers and jobbers as well as small independent presses The latest edition adds approximately 500 new entries with increased Canadian listings and Web site and e mail addresses
