## **Touch Of Paradise:**

A Lost Touch of Magic Amy,2008-12-01 Veiled by the mists of the highlands are tales of beautiful magical and sometimes dangerous worlds One such realm Paroseea dwells hidden within the stone walls of a medieval fortress Castle MacCoinneach Yet danger has escaped paradise and stalks the halls of Castle MacCoinneach seeking vengeance patiently waiting for the return of the fallen laird You must return Those words uttered by the ghost of Padruig MacCoinneach s beloved sister send him back to the highlands and a life he forswore To save his remaining sister and aid his clan Padruig will do anything He never expected that he would have to marry his ally s daughter whom he deems both a reckless child and a potent temptation You are the price With these callous words Padruig destroys a fantasy Aimili de Grantham has long nurtured created from her memories of Padruig himself A cool dismissive stranger has replaced the golden man of her dreams a stranger she must wed Worse the fey part of her senses that evil lurks in the shadows of Castle MacCoinneach and she has nowhere to turn One true laird and one of fey blood Strangers they may be but Padruig and Aimili are destined to join together to defeat a force beyond their imaginings It will take trust faith and most of all love to save themselves their clan and discover A Lost Touch of Magic

**A Lost Touch of Innocence** Amy,2008-03-01 I am a part of you now The words haunt Piers Veuxfort and he has only his own recklessness to blame By touching a magic crystal he freed the essence of a decidedly wicked Fin Man who now resides within Piers If that isn t bad enough a surprise for Piers arrives at Falcon s Craig Castle A bride A bride moreover who was raised to be a nun and views him as something just short of the devil What can he do but send her back You are a wicked abomination With that condemnation of her sight Giselle St Germain s future is irrevocably altered Her life in the secluded nunnery is over and she is thrown into the world a world that includes betrothal to a man who is unrepentantly devoted to his pleasures and who increasingly displays a dark troubling side What s a girl to do but cling more tightly to what she knows The rules have changed For both of them And Piers and Giselle are about to discover that sometimes fate delivers a destiny beyond your imaginings That destiny is theirs to win Or lose It will take all the courage that lies within their deepest hearts to seize it and to find A Lost Touch of Innocence

centuries and the working through of these notions in various writings Others tell us about how people traveled and the effects of travel on selfhood how they dressed how they celebrated special occasions and how they thought of work and pleasure The authors reflect on recent methodological concerns and adapt them to new issues in historically oriented literary and cultural studies They offer important contributions to new directions in scholarship The book emerges from a symposium held at the Humanities Research Centre Australian National University to celebrate the work of Stephen Greenblatt Drawing on Greenblatt s methodologies contributors examine strategies by which we know ourselves through our relationships with the past
