Cincinnati Magazine, 1995-09 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Who Killed...? Pittsburgh, Pa** Jack Swint, 2007-07 Who Killed Pittsburgh depicts 20 of Pittsburgh's most notorious heinous and mysterious unsolved murders Through laborious research and interviews with investigators and families of the victims investigative reporter Jack Swint has laid out particulars of these unsolved crimes These chapter length sketches provide a glimpse into twenty unsolved murders from the frustrations of law enforcement officials to grieving family members to the coping of local communities trying to make sense of the random acts of madness As a whole Who Killed Pittsburgh reveals the dark underbelly of Pennsylvania communities still struggling to diffuse the rage and brutality that so many of its inhabitants possess Cold Case Homicides R.H. Walton, 2006-06-13 Written by a seasoned professional with over 30 years of experience in law enforcement Cold Case Homicides Practical Investigative Techniques provides effective and accessible information to those responsible for investigating and resolving previously examined but still unsolved cold case homicides The book merges theory with practice through the use of case histories photographs illustrations and checklists that convey essential fundamental concepts while providing a strong practical basis for the investigative process It combines proven techniques from forensics psychology and criminal investigation and focuses on technologies that may not have been available at the time of the crime This guide defines the characteristics of a cold case homicide details various investigative methods used by law enforcement agencies explores the actual experiences of detectives in re opening case files and presents current technologies such as ViCAP HITS and TrackRS used in the identification of cases related to the re opened case or its perpetrator It also highlights technological changes that contribute greatly to law enforcement's abilities to solve cold case homicides such as computerized print technology the specificity of DNA and the expanding data banks that enable the linkage of previously unknown suspects to the crimes they committed Addressing methods particularly valuable to cold cases Cold Case Homicides Practical Investigative Techniques assists the investigator in being prepared focused objective and successful in obtaining the truth **'And'** Barry Schein, 2017-07-21 A bold argument that and always means descriptive event anaphora which replaces simple event variables with silent descriptive pronouns adverbialization which interposes adverbials derived from the descriptive content of every DP and AdrPs which replace all NPs with Address Phrases that

locate what nominals denote within scenes or frames of reference With And Schein rehabilitates an old rule of transformational generative grammar answering the challenges to it exhaustively and meticulously
