

# How to Practice Mindfulness

1

**Take a seat.** Find a place to sit that feels calm and quiet to you.

2

**Set a time limit.** If you're just beginning, it can help to choose a short time, such as 5 or 10 minutes.

3

**Notice your body.** You can sit or kneel however is comfortable for you. Just make sure you are stable and in a position, you can stay in for a while.

4

**Feel your breath.** Follow the sensation of your breath as it goes out and as it goes in.

5

**Notice when your mind has wandered.** When you get around to noticing this—in a few seconds, a minute, five minutes—simply return your attention to the breath.

6

**Be kind to your wandering mind.** Don't judge yourself or obsess over the content of the thoughts you find yourself lost in. Just come back.
