Fantasy** Mikhail Kurseev,2021-05-19 Fantastic adventures incredible story passionate love In ancient times when people did not even invent steamers and steam locomotives ships crossed huge seas and lush oceans under sails and were subject to the elements of winds and storms an incredible thing happened In the glorious kingdom of Anaco there was a legend about a distant and unexplored land lost in the vast blue sea where there were untold riches Seaview Toby Olson,2011-09-21 The action of Toby Olson's PEN Faulkner Award winning novel Seaview sweeps eastward following three men and two women across a wasted American continent to an apocalyptic confrontation on Cape Cod Melinda hopes to

reach the seaside where she was born before she dies of cancer Allen her husband earns their way back by golf hustling working the links en route Outside of Tucson the two meet up with a Pima Indian also headed toward the Cape to help a distant relative who has claims on a golf course there that is laid out on tribal grounds Throughout the journey Allen knows he is being stalked by a former friend Richard a drug pusher whom he has crossed and who is now determined to murder him The tortured lives of Richard and his wife Gerry stand as a dream of what might have become of Allen and Melinda had things been otherwise The lines that draw these people together converge at Seaview Links and on the mad battlefield that this golf course becomes the novel reaches its complex ending Seaview s vibrant language and fateful plot make this study of an America on the edge an unforgettable read *Love and Other Infectious Diseases* Molly Haskell,2000 My husband awoke one night with a fever of 105 9 I rushed him to the Emergency room of a New York hospital and there began a six month drama in which doctors tried to figure out what was wrong with him while I alternated between hope and despair For the three months that Andrew remained critically ill and deranged hallucinating most of the time he was no longer the lover friend fellow critic and confidant I was used to Eleven years my senior Andrew had been my mentor as a writer and established film critic and now I might be on my own Terrified by the possibility of Andrew s death and forced by that terror to look inward I began to see the extent of my dependency on a marriage that had seemed perfectly equal perfect in fact I think of the book as both a thriller and love story a hospital suspense melodrama as it tracks the ups and downs of a husband s illness and the memoir of a marriage that focuses on my own spiritual and psychological journey *Crime Fiction, 1749-1980* Allen J.
