A Hard Day's Knight Simon R. Green,2011-01-04 Welcome to the Nightside For those foolish enough to seek it out it s literal tourist trap populated by beings human and otherwise who have never seen the sun rise A place where your dreams can come true as long as your nightmares don t get you first My name is John Taylor I m a PI with a special talent for finding lost things I m also the reluctant owner of a very special and dangerous weapon Excalibur the legendary sword which isn t what you think it is and never was Excalibur chose me and to find out why I ll have to consult the last defenders of Camelot a group of knights who dwell in a place that some find more frightening than the Nightside London Proper It s been years since I ve been back and there are good reasons for that
