Light and Obscurity in Symbolism Deborah Cibelli,Rosina Neginsky,2016-01-14 The idea of light and darkness is one of the central ideas of the Symbolist movement since this is a movement of contrasts It encompasses the major themes of Symbolism such as good and evil beauty and ugliness the visible and the invisible and the divine and the earthly This volume brings together a range of studies in order to understand the notion of light and darkness and a variety of its Symbolist interpretations It also stresses the interdisciplinary nature of the concepts of light and darkness in Symbolism as well as the cohabitation and symbiosis of both which are together or separately at the core of this movement

A Cultural History of Hair in the Middle Ages Roberta Milliken,2020-12-10 The Middle Ages were a time of great innovation artistic vigor and cultural richness Appearances mattered a great deal during this vibrant era and hair was a key marker of the dynamism and sophistication of the period Hair became ever more central to religious iconography from Mary Magdalen to the Virgin Mary while vernacular poets embellished their verses with descriptions of hairstyles both humble and elaborate and merchants imported the finest hair products from great distances Drawing on a wealth of visual textual and object sources the volume examines how hairstyles and their representations developed often to a degree of dazzling complexity between the years AD 800 and AD 1450 From wimpled matrons and tonsured monks to adorned noblewomen hair is revealed as a potent cultural symbol of gender age sexuality health class and race Illustrated with approximately 80 images

A Cultural History of Hair in the Middle Ages brings together leading scholars to present an overview of the period with essays on politics science religion fashion beauty the visual arts and popular culture Ambiguous Locks Roberta Milliken,2014-01-10 It has long been said that a woman s hair is her crowning glory Indeed throughout history hair has remained an important cultural symbol of femininity In medieval art iconic images of long flowing locks can express sexuality and the cutting of a woman s hair often signals her feminine misbehavior Artists of all kinds in the Middle Ages used women s long hair to manipulate their audience s estimation of their female figures This interdisciplinary work explores the significance of women s hair in literature and art from the medieval period through 1525 putting into historical context the ways in which hair participates in construction of the female identity *Animal Symbolism in Ecclesiastical Architecture* Edward Payson Evans,1896 **Music of the Sirens** Linda Phyllis Austern,Inna Naroditskaya,2006 Presents a range of views and analyses of the pervasive archetype of sirens and their music **Advertising and Branding: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources,2017-01-06 Effective marketing techniques are a driving force behind the success or failure of a particular product or service When utilized correctly such methods increase competitive advantage and customer engagement Advertising and Branding Concepts Methodologies Tools and Applications is a comprehensive reference source for the latest scholarly material on emerging technologies techniques strategies and theories for the development of advertising and branding campaigns in the modern marketplace Featuring extensive coverage across a range of topics such as customer retention brand identity and global advertising this innovative publication is ideally designed for professionals researchers academics students managers and practitioners actively involved in the marketing industry The Art of Seduction Robert Greene,2003-10-07 From the author of the multi million copy bestseller The 48 Laws of Power and The Laws of Human Nature a mesmerizing handbook on seduction the most subtle and effective form of power When raised to the level of art seduction an indirect and subtle form of power has toppled empires won elections and enslaved great minds Immerse yourself in the twenty four maneuvers and strategies of the seductive process the ritual by which a seducer gains mastery over his target Understand how to Poeticize Your Presence Keep them in Suspense What Comes Next and Master the Art of the Bold Move Every bit as essential as The 48 Laws of Power The Art of Seduction is an indispensable primer of persuasion that reveals one of history s greatest weapons and the ultimate form of power *Barrie, Hook, and Peter Pan* Elisa T. Di Biase,Alfonso Muñoz Corcuera,2012-11-15 Peter Pan was born over a century ago There is something doubly contradictory in this phrase that although true is also the reason why this book has been released We are talking about the boy who will never grow up and the fact that he is celebrating his hundredth birthday should provoke some surprise At the same time he is such a powerful icon that it is also true that he seems to have been there floating in our culture reappearing in its images since time immemorial much farther back than the early twentieth century This book shows that although he considered dying to be an awfully big adventure Peter Pan is on his one hundredth

birthday more alive than ever And our prediction is that he will accompany our culture as long as it survives Like all great myths Peter will continue bursting through the window of our texts leading us to other worlds so that when we least expect it we will hear his cry emanate from a dark ocean This book in a sincere tribute intends to be both a compilation and a precedent by inspiring a deeper look into its image we hope to influence the life of this character so dear and yet so mysterious and seductive Peter Pan ha cumplido un siglo de vida Hay algo doblemente contradictorio en esta frase que por lo dem s es cierta y es el motivo por el cual este libro ha visto la luz Estamos hablando del ni o que nunca crece y el hecho de que celebre su cumplea os n mero cien puede provocarnos cierta extra eza Por otro lado se trata de un icono tan poderoso que tambi n es verdad que parece haber estado ah flotando en nuestra cultura resurgiendo en sus im genes desde tiempos inmemoriales mucho m s lejanos que los albores del siglo XX Este libro muestra que a pesar de que considere que morir podr a resultar una aventura extraordinaria Peter Pan est a sus cien a os m s vivo que nunca Y el panorama pinta en efecto para una vida que acompa e a nuestra cultura mientras sta sobreviva Igual que sucede con todos los grandes mitos Peter seguir irrumpiendo a trav s de la ventana de nuestros textos gui ndonos a otros mundos de tal manera que cuando menos lo esperemos escucharemos su grito emanar de un oc ano oscuro Este libro en un sincero homenaje pretende ser compilaci n y precedente y mediante la provocaci n mediante la motivaci n de la profundizaci n en su figura incidir en la trayectoria de la vida de este personaje tan entra able y a la vez tan misterioso y seductor

Seduction and the Secret Power of Women

Meri Lao,2007-10-09 An exploration of humanity s age old fascination with Sirens Explains the Sirens half human half animal bodies as a metaphor for the psychological challenge that their myth has always embodied Fully illustrated in color with works by Rubens Bosch Munch Magritte and others Their celestial voices drove mast lashed Ulysses nearly out of his mind with libidinous promises as they beckoned him ever closer to paradise or a rocky death With womanly torsos and animal lower halves usually birds or fish Sirens have long been symbols of the lure of desire the feminine as seducer beckoning men to mystery beyond their ken or to disaster This book is both a celebration of Sirens and an examination of the psychology of dichotomy the diametrically opposed drives and inherent conflicts underlying this female archetype Since antiquity Sirens and their mermaid sisters have maintained an ongoing affair of the heart with humanity s greatest writers and artists Sirens play important roles in the classical writings of Homer and Euripides as well as in the modern works of James Joyce Oscar Wilde W B Yeats and many others Matching these writings with vibrant work from such artists as Peter Paul Rubens Hieronymous Bosch Edvard Munch and Ren Magritte Meri Lao has created a feast for the eye Exploring our 3 000 year old relationship with Sirens Lao reveals the secret of the power in their song it is the sound of the subversive luring us from the orderly conscious world down to the depth of the world of dreams and the harder we try to ignore that singing the more we desperately want to hear it 2004,□□□□ □□□□ □□□□□□ Confounding Categories of Knowledge Tara Elizabeth Pedersen,2009 □□□□□□□□ □□□□□□□□□□ Jeff Herman,2013 Over the years Writer s Guide to Book Editors Publishers and

Papadaki-Oekland,2009 Of all the Old Testament books the Book of Job remains acutely contemporary today Written between the 6th and 3rd c B C it deals with subjects such as the presence of evil in the world the misery the quest for justice the faith and the behavior of people when they face sudden twists and turns of life It seems that the ancient text had been illustrated since the Early Christian period because of its fascinating novel like narrative style In her own study on the Book of Job Stella Papadaki Oekland probes into all the Byzantine illuminated manuscripts of the illustrated Greek text The number of miniature illustrations included in these fifteen manuscripts dating from the 9th to the 16th century comes to more than 1800 of which 2 3 of the about 380 illustrated herein are previously unpublished manuscript images The book is an unabridged version with minor changes of Papadaki Oekland s Inaugural Dissertation at Heidelberg University 1979 and is published posthumously by her daughters Helen Aina and Astrid Zoe in homage to Byzantine Art The fifteen Byzantine Illuminated Manuscript Illustrations of the Book of Job studied illustrated and discussed are Biblioteca Apostolica Vaticana Rome cod Vat gr 749 cod Vat gr 751 cod Vat gr 1231 and cod Vat Pal gr 230 The Monastery of St John the Theologian Isle of Patmos cod Patmos 171 Biblioteca Nazionale Marciana Venezia cod Marc gr 538 Monastery of St Catherine Sinai Egypt cod Siena 3 Orthodox Patriarchate of Jerusalem and All Palestine Jerusalem MS Taphou 5 Monastery of Vatopedi Mount Athos Vatopedi

The Gothic Vision Dani Cavallaro, 2002-08-27 The Gothic Vision examines a broad range of tales of horror terror the uncanny and the supernatural spanning the late eighteenth century to the present and of related theoretical approaches to the realm of dark writing It argues that such narratives are objects for historical analysis due to their implication in specific ideologies while also focusing on the recurrence over time of themes of physical and psychological disintegration spectrality and monstrosity This is an excellent overview of a genre that is increasingly studied in literature film and cultural studies courses
