Six Presents Of God:

Six Presents From God Gary Houston, 1988 Advent is a time to think about gifts Who should receive them How much should they cost What do the people on our list need most of all We scramble every year between Thanksgiving and Christmas trying to take care of our gift list Here is a refreshing second look at the whole area of giving and receiving gifts When all is said and done it is not us but God who is the gift giver By his rich giving we are graced for life and for eternity Throughout the season of Advent and Christmas share with members of your congregation the good news of God's enormous generosity Look together at the gift list God assembled for us once where shepherds watched and angels sang These six sermons are each supplemented with simple object lessons for young children The author focuses on God's gifts to us of Angels Mary Shepherds Wisemen The baby Jesus Joseph Gary W Houston is pastor of First United Methodist Church Alexandria Indiana A graduate from the Episcopal seminary at Suwanee Tennessee he has a Ph D in Inner Asian Studies He has authored edited five published books

Padlock of Knowledge Jon Moses, 2022-12-08 Have you given any thoughts to the possibility that you might have chosen your life the way it is And that God plays little or no role in how you operate your life daily God made Man in His own image and breathe his breath into him In the process he created the best most sophisticated most valuable powerful unique unparalleled and delicate computer organs to guide and direct your path through life while you are here on earth for a limited time And this gives you the absolute power to do as much or as little as you set your mind to do This godly gift is likened to your free gift of talents from God What you do with your talents as an individual signifies your purpose of life and should limit how much responsibility is placed on God It brings the focus back on you towards accountability and success in life This is the essence of the Padlock of Knowledge how You Choose Your Destiny from Heaven All your life has been orchestrated from the time you were born until that time when you relinquished the spirit back to its rightful owner as your journey of life comes to an end Afterwards you will return to Praising and Worshipping God in His Sanctuary among Angels Before then you do have a life to live and you must factor in Destiny and its impact upon your life There is a biblically sound way that God can be petitioned to upgrade an unwanted destiny as only he could do And this is what every believer should pursue relentlessly in order to thwart the adversaries relentless attempt to sabotage your life goals The clock is ticking Let us go on this beautiful journey of personal growth together as it is written

Zion's Watch Tower and Herald of Christ's Presence, 1921

A Human-Shaped God Charles Halton, 2021-10-26 A Human Shaped God approaches the humanlike accounts of God in the Old Testament as the starting places for theology and uses them to build a picture of the divine This understanding of God is then brought into conversation with traditional conceptions that depict God as a being who knows everything that happens is at every place at the same time is constant and unchanging and does not ultimately have material form But instead of pitting the Old Testament's humanlike view of God against traditional theology and assuming that only

one of these understandings is correct A Human Shaped God posits that theologians should embrace both of these constructions simultaneously This is a new way of theological inquiry that embraces both the humanlike characteristics of God and the transcendence of God in traditional theology By seeing and understanding the humanlike depictions of God in the Old Testament and by using the rich language of traditional theology together in tandem the reader acquires a much deeper and meaningful understanding of God
