

Bee-eaters (bird study)

- love the richness of the color palette
- but the primary look is hard to beat
- love the way the wings look - almost like a fan
- maybe a little more detailed around the head and tail
- love most of what

the only reason the last bird was...

→ maybe should have used black more instead of the tan but also that did work as chestnut over the chestnut red

loves the colors of the first the second one and every the third one also very look in master not want to keep on with to realize how the one over of the → 12 year old you can bring it...

→ more but the last one so this one is better but that's the favorite of the master but at the

kindly a favorite of mine
