[Taxi Driver](#)

Julia Darling

Taxi Driver:

   The Haunted Taxi Driver Kofi Sekyi,1991 One of a series of readers for African students which aims to help them to develop an awareness and a love of language and consists of stories from all over Africa In this story taxi driver Baba Oko hopes to make a lot of money on graduation night and has a few drinks to help him drive faster   Taxi Driver Amy Taubin,2019-07-25 Paul Schrader was in meltdown in 1972 Drinking heavily living in his car he was hospitalised with a gastric ulcer There he read about Arthur Bremer s attempt to assassinate Alabama Governor George Wallace the story was the germ of his screenplay for Taxi Driver 1976 Executives at Columbia hated the script but when Martin Scorsese and Robert De Niro who were flying high after the triumphs of Mean Streets 1973 and The Godfather Part II 1974 signed up Taxi Driver became too good a package to refuse Scorsese transformed the script into what is now considered one of the two or three definitive films of the 1970s De Niro is mesmerising as Travis Bickle pent up bigoted steadily slipping into psychosis the personification of American masculinity post Vietnam Cybill Shepherd and Jodie Foster give fine support and Scorsese brought in Bernard Herrmann the greatest of film composers to write what turned out to be his last score Crucially Scorsese rooted Taxi Driver in its New York locations tuning the film s violence into the hard reality of the city Technically thrilling though it is Taxi Driver is profoundly disturbing finding as Amy Taubin shows racism misogyny and gun fetishism at the heart of American culture In her foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Amy Taubin considers Taxi Driver anew in the context of contemporary politics of race and masculinity in the US and draws on an exclusive interview with Robert De Niro about his memories of making the film   New York Cab Driver and His Fare Charles Vidich,2017-09-29 Using information derived from research and interviews with cab drivers Vidich has written a basic work on New York City cab drivers hacks that also provides passengers fares with a survival manual Cab drivers are quoted by newspaper columnists politicians and at dinner parties yet a hard look at the profession and its role in the transportation system of the city has been completely lacking Vidich brings out in clear language the conflicts between the cab driver s position as a dispenser of a public service and his needs as a working person subjected to violence and pressure It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition At the same time this book provides insight into the history and sociology of an important urban institution It is a book about cab drivers everywhere and cab drivers and fares in all cities have a new handbook in this volume   **Taxi Driver—The Ill Fated Lad** Mr. Donny Churchill,2017-04-05 This book is a real life story about the beauty of life when you have a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes my friends and I would use limousine just for the night out At the end of my company contract and after about another six months without income I sold my condominium at a reasonable price and relocated to Jersey City in New Jersey I lived in a spacious apartment for another five months without

income then I decided to drive a yellow cab I went to TLC for my hack license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving the taxi and continuing my job hunting at the same time was daunting With too many summonses from police officers and TLC inspectors within a period of about four years taxi driving my license was revoked No more taxi driving no more income And my life became too miserable   Taxi Driver Paul Schrader,1974   **Taxi Driver** ,1999   *Workers and Change in China* Manfred Elfstrom,2021-01-21 Rising labour unrest is changing Chinese governance from below Elfstrom shows that this is occurring in unexpected and contradictory ways

Taxi! Graham Russell Gao Hodges,2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy 2007 Noteworthy Book in Industrial Relations and Labor Economics Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City s history and people Graham Russell Gao Hodges s Taxi is a remarkable evocation of the forgotten history of the taxi driver This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream From labor unrest and racial strife to ruthless competition and political machinations Hodges recounts this history through contemporary news accounts Hollywood films and the words of the cabbies themselves A new preface recalls the author s five years of hacking in New York City in the early 1970s and a new concluding chapter explores the rise of app based ridesharing services with the arrival of companies like Uber and Lyft Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy Hodges argues that the explosion of for hire vehicles in Manhattan reversed decades of environmental anti congestion efforts He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies Whether or not you ve ever hailed a cab on Broadway Taxi provides a fascinating perspective on New York s most colorful emissaries   **Confessions of a New York Taxi Driver (The Confessions Series)** Eugene Salomon,2013-01-31 Driving a cab for more than 30 years Gene Salomon has collected a remarkable selection of stories He shares the very best in this unforgettable memoir   Last taxi driver Lee Durkee,2021

The Taxi Driver's Daughter Julia Darling,2003 The touching and wonderfully engaging second novel from the author of CROCODILE SOUP It is late December and fifteen year old Caris is trying to hang an angel on a Christmas tree in a terraced street in Newcastle upon Tyne She is interrupted by the arrival of the police who have come to the house to announce that her mother Louise has been caught stealing shoes in a department store in town Caris s father Mac a taxi driver struggles to keep the family together as Christmas looks set for disaster especially when Louise s drunken dishevelled mother moves in

Taxi Driver Wisdom Risa Mickenberg,2016-07-19 Insights on love pleasure fate and other topics collected from conversations with New York City cabbies AM New York The worse a town s economy is the better looking the guys who work at the local gas station are I see more of what is going on around me because I am not concerned with finding a parking place There is no chivalry For that you have to go upstate Real taxi drivers know more than how to get you there without a

GPS often they know how to get you there in life This twentieth anniversary edition of the wise and hilarious classic as true now as ever is a celebration of the witty philosophical perspective on human nature culled from real quotations from real cab drivers who ve been around the block   **Mean Streets** Peter McSherry,2002-09 Peter McSherry recounts tales of his 30 years of driving cabs on the hard bitten streets of Toronto   Streetwise Diego Gambetta,Heather Hamill,2005-06-30 A taxi driver s life is dangerous work Picking up a bad customer can leave the driver in a vulnerable position and erring even once can prove fatal To protect themselves taxi drivers must quickly and accurately assess the trustworthiness of complete strangers In Streetwise Diego Gambetta and Heather Hamill take this predicament as a prototypical example of many trust decisions where people must act on limited information and judge another person s trustworthiness based on signs that may or may not be honest indicators of that person s character or intent Gambetta and Hamill analyze the behavior of cabbies in two cities where driving a taxi is especially perilous New York City where drivers have been the targets of frequent and violent robberies and Belfast Northern Ireland a divided metropolis where drivers have been swept up in the region s sectarian violence Based on in depth ethnographic research Streetwise lets drivers describe in their own words how they seek to determine the threat posed by each potential passenger The drivers decisions about whom to trust are treated in conjunction with the sign management strategies of their prospective passengers both genuine passengers who try to persuade drivers of their trustworthiness and the villains who mimic them As the theory that guides this research suggests drivers look for signs that correlate closely with trustworthiness but are difficult for an impostor to mimic A smile a business suit or a skullcap alone do not reassure drivers as any criminal could easily wear them Only if attached to other signs a middle aged woman a business address or a synagogue are they persuasive Drivers are adept at deciphering deceitful signals but trickery is occasionally undetectable so they must adopt defensive strategies to minimize their exposure to harm In Belfast where drivers are locals and often have histories of paramilitary involvement macho posturing often serves to deter would be criminals while New York cabbies mostly immigrants who view themselves as outsiders try simply to minimize the damage from attacks by appeasing robbers and carrying only small amounts of cash For most people erring in a trust decision leads to a broken heart or a few dollars lost For cab drivers such an error could mean losing their lives The way drivers negotiate these high stakes offers us vivid insight into how to determine another person s trustworthiness Written with clarity and color Streetwise invites the reader to ride shotgun with cabbies as they grapple with a question of relevance to us all which signs of trustworthiness can we really trust A Volume in the Russell Sage Foundation Series on Trust   Six Plays of the Israeli-Palestinian Conflict Jamil Khoury,,Michael Malek Najjar,Corey Pond,2018-08-23 A bold and singular collection of six plays by Arab and Jewish playwrights explores the human toll of the Israeli Palestinian conflict The Admission by Motti Lerner Scenes From 70 Years by Hannah Khalil Tennis in Nablus by Ismail Khalidi Urge for Going by Mona Mansour The Victims by Ken Kaissar and The Zionists by Zohar Tirosh Polk Rather than striving to achieve balance and

moral equivalency between competing narratives the plays investigate themes of identity justice occupation exile history and homeland with honesty and integrity The plays do not take sides or adhere to ideological orthodoxies but challenge tribalism and narrow definitions of nationalism while varying widely in thematic content dramatic structure and time and place Where politicians and diplomats fail artists and storytellers may yet succeed not in ratifying a peace treaty between Israel and Palestine but in building the sort of social and political connectivity that enables resolution   *Digital Carnivalesque* Hoi-Yi Katy Kan,2020-01-21 This book challenges the framing of comedic acts as apolitical and it adopts a multimodal critical discourse approach to interrogate the performance of comedy as a form of power It proposes using Bakhtin s carnivalesque as the analytic tool to distil for readers key differences between humour as banal and humour as critical and political in today s social media Drawing from critical theory and cultural studies this book takes an interdisciplinary approach in formulating a contemporary view of power that reflects social realities not only in the digital economy but also in a world that is increasingly authoritarian With the proposition of newer theoretical lenses in this book scholars and social scientists can then find a way to shift the conversation to uncover the evolving voices of existing and newer power holders in the shared digital space and to view current social realities as a continual project in unpacking and understanding the adaptive ways of the human spirit   Beyond Method Scott Balcerzak,2018-06-25 Explores the methodologies and influence of acting teacher Stella Adler on her male students Stella Adler 1901 92 trained many well known American actors yet throughout much of her career her influence was overshadowed by Lee Strasberg director of the Actors Studio In Beyond Method Stella Adler and the Male Actor Scott Balcerzak focuses on Adler s teachings and how she challenged Strasberg s psychological focus on the actor s self by promoting an empathetic and socially engaged approach to performance Employing archived studio transcripts and recordings Balcerzak examines Adler s lessons in technique characterization and script analysis as they reflect the background of the teacher illustrating her time studying with Constantin Stanislavski her Yiddish Theatre upbringing and her encyclopedic knowledge of drama Through this lens Beyond Method resituates the performances of some of her famous male students through an expansive understanding of the discourses of acting The book begins by providing an overview of the gender and racial classifications associated with the male Method actor and discussing white maleness in the mid twentieth century The first chapter explores the popular press s promotion of Method stars during the 1950s as an extension of Strasberg s rise in celebrity At the same time Adler s methodology was defining actor performance as a form of social engagement rather than just personal expression welcoming an analysis of onscreen masculinity as culturally fluid The chapters that follow serve as case studies of some of Adler s most famous students in notable roles Marlon Brando in A Streetcar Named Desire 1951 and The Missouri Breaks 1976 Robert De Niro in Taxi Driver 1976 Henry Winkler in Happy Days 1974 84 and Mark Ruffalo in The Avengers Age of Ultron 2015 Balcerzak concludes that the presence of Adler altered the trajectory of onscreen maleness through a promotion of a relatively complex view of gender identity not found in other

classrooms Beyond Method considers Stella Adler as not only an effective teacher of acting but also an engaging and original thinker providing us a new way to consider performances of maleness on the screen Film and theater scholars as well as those interested in gender studies are sure to benefit from this thorough study   The Last Taxi Driver Lee Durkee,2020-03-03 A Kirkus Best Book of 2020 A wild funny poetic fever dream that will change the way you think about America George Saunders Hailed by George Saunders as a true original a wise and wildly talented writer Lee Durkee takes readers on a high stakes cab ride through an unforgettable shift Meet Lou a lapsed novelist struggling Buddhist and UFO fan who drives for a ramshackle taxi company that operates on the outskirts of a north Mississippi college town With Uber moving into town and his way of life vanishing his girlfriend moving out and his archenemy dispatcher suddenly returning to town on the lam Lou must finish his bedlam shift by aiding and abetting the host of criminal misfits haunting the back seat of his disintegrating Town Car Lou is forced to decide how much he can take as a driver and whether keeping his job is worth madness and heartbreak Shedding nuts and bolts The Last Taxi Driver careens through highways and back roads from Mississippi to Memphis as Lou becomes increasingly somnambulant and his fares increasingly eccentric Equal parts Bukowski and Portis Durkee s darkly comic novel is a feverish hilarious and gritty look at a forgotten America and a man at life s crossroads   **Occupational outlook handbook, 2010-11 (Paperback)** ,1990   **North Carolina Reports** North Carolina. Supreme Court,1939 Cases argued and determined in the Supreme Court of North Carolina

Ignite the flame of optimism with is motivational masterpiece, **Taxi Driver** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

While this might not be the Taxi Driver full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Taxi Driver eBooks, including some popular titles.

FAQs About Taxi Driver Books

What is a Taxi Driver PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Taxi Driver PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters:

There are various online tools that can convert different file types to PDF. **How do I edit a Taxi Driver PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Taxi Driver PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Taxi Driver PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
