French Connections Martin James, 2022-06-15 During the second half of the 1990s Paris experienced a dance music revolution thanks to groundbreaking artists like Daft Punk Air Super Discount Motorbass Cassius Dimitri from Paris Bob Sinclar and many many more It was a scene that became known as French Touch and was heralded throughout the world as the epitome of dance music cool forever placing Paris on the dance culture map Journalist and author Martin James was there right from the start documenting the scene from its inspirations to its earliest moments and onto its global breakthrough In the process he inadvertently provided the French Touch moniker that became adopted throughout the world Drawing on a dazzling array of exclusive interviews with the biggest names in French electronic music history French Connections explores France s significant contribution to dance music culture that paved the way for the French Touch explosion

**On Boredom** Rye Dag Holmboe , Susan Morris , 2021-04-22 What do we mean when we say that we are bored Or when we find a subject boring Contributors to On Boredom Essays in art and writing which include artists art historians psychoanalysts and a novelist examine boredom in its manifold and uncertain reality Each part of the book takes up a crucial moment in the history of boredom and presents it in a new light taking the reader from the trials of the consulting room to the experience of hysteria in the nineteenth century The book pays particular attention to boredom s relationship with the sudden and rapid advances in technology that have occurred in recent decades specifically technologies of communication surveillance and automation On Boredom is idiosyncratic for its combination of image and text and the artworks included in its pages by Mathew Hale Martin Creed and Susan Morris help turn this volume into a material expression of boredom itself With other contributions from Josh Cohen Briony Fer Anouchka Grose Rye Dag Holmboe Margaret Iversen Tom McCarthy and Michael Newman the book will appeal to readers in the fields of art history literature cultural studies and visual culture from undergraduate students to professional artists working in new media

**Collier's** , 1917 **Jacques Rivette** Mary M. Wiles, 2012-01-19 As a pioneer of the French New Wave Jacques Rivette was one of a group of directors who permanently altered the world s perception of cinema by taking the camera out of the studios and into the streets His films including Paris nous appartient Out 1 Noli me tangere C line et Julie vont en bateau Phantom Ladies Over Paris La belle noiseuse Secret d fense and Va savoir are extraordinary combinations of intellectual depth playfulness and sensuous beauty In this study of Rivette Mary M Wiles provides a thorough account of the director s career from the burgeoning French New Wave to the present day focusing on the theatricality of Rivette s films and his explorations of the relationship between cinema and fine arts such as painting literature music and dance Wiles also explores the intellectual interests that shaped Rivette s approach to film including Sartre s existentialism Barthes s structuralism and the radical theater of the 1960s The volume concludes with Wiles s insightful interview with Rivette

**Butterfly Stories** William T. Vollmann, 1993 Butterfly Stories follows a dizzying cradle to grave hunt for love that takes the narrator from the comfortable confines of suburban America to the

killing fields of Cambodia where he falls in love with Vanna a prostitute from Phnom Penh Here Vollmann's gritty style perfectly serves his examination of sex violence and corruption

*Anglicisms, Neologisms and Dynamic French* Michael D. Picone, 1996-10-18 This comprehensive study of Anglicisms in the context of accelerated neological activity in Contemporary Metropolitan French not only provides detailed documentation and description of a fascinating topic but opens up new vistas on issues of general linguistic interest the effects of technology on language the analyticity/syntheticity controversy the lexical contribution to language vitality the study of compound word formation the interplay between cultural and linguistic affectivity By investigating the dynamics of borrowing within the larger framework of general neological productivity and by bringing to bear cognitive and pragmatic considerations a much needed fresh approach to the entire question of Anglicisms takes shape All pertinent phenomena regarding Anglicisms in French a topic which continues to command the attention of language commentators and defenders in France and elsewhere are explored integral borrowings semantic calques structural calques the generation of pseudo Anglicisms and hybrids graphological and phonological phenomena In each case the phenomenon is investigated in the proper context of its interaction with other pertinent neological phonological and sociocultural developments These include general changes in French compound word formation modified derivational dynamics the microsystem of pseudo Classical morphology historic phonological instabilities the pressure for more synthetic types of lexical production in relation to the needs of technology and society Rather than adhering rigidly to any single theoretical model there is an attempt to set up a dialog between differing models in order to arrive at a multidimensional view of the phenomena investigated
