T-Bird Daniel C. Henderson, Michael Southard, 2004-10-22 *The Thunderbird Returns* JC Ortega, 2020-05-14 Stories from the Pow Wow Trails and the Medicine Path Shadow of the Thunderbird Dallas Tanner, 2008-02-05 For the past 160 years giant birds have been reported in the skies above the Black Forest region of northern Pennsylvania Now it s up to one man and one woman to find out where they came from and where they ve gone Failed Ph D candidate and assistant museum curator Ian McQuade is rescued by cartographer Alma Del Nephites after an ill fated expedition into the Amazon Basin They travel to meet the enigmatic CEO of a secretive organization where the two are given the opportunity to seek out proof of the existence of thunderbirds A madman s journal will lead them into the heart of a 700 year old mystery where cutting edge technology designed to locate and identify such creatures will collide with an ancient power that has hidden and protected them for centuries Ian must face his past in order to believe in a future that couldn t possibly exist With lightning in their eyes and thunder in their wings who will control the fate and destiny of the thunderbirds **Annual Report** Smithsonian Institution. Bureau of American Ethnology, 1923 **Short Stories** Fred Silvio, 2022-05-31 I would like to thank you for being interested in reading my First Volume of Short Stories I hope you enjoy reading it as much as I did writing them All the stories are fictional and come from my imagination and daily experiences The characters are fictional also I try to show in my stories how I feel it is wrong to treat people badly just because they are different from you I feel the world would be a better place if we could all learn how to get along I hope my stories will help people to understand that just because you are different doesn t make you a bad person They may be feeling the same way towards you as you do to them Take time to get to know people and you will have a happier life To understand and learn is the beginning to a life of love and happiness

Thunderbird Susan Slater, 2020-03-28 The fiery midnight crash of a Stealth fighter on a New Mexico reservation and the disappearance of a young Navajo woman put psychologist Ben Pecos and tribal police officer Tommy Spottedhorse on a sinister and mysterious trail Tribal police lock horns with air force personnel over jurisdiction and the right to search for the missing woman The murder of a local park ranger and several livestock mutilations complicate the whole picture and take the case from strange to downright bizarre When it appears the missing Navajo woman Brenda Begay may have witnessed what happened that fateful night and might still be alive Ben and Tommy Spottedhorse race to connect the pieces of the puzzle Because otherworldly or not something evil is out there in the desert awaiting a final showdown among the ruins of the Ancient Ones Critical acclaim for Susan Slater s Thunderbird Thunderbird is a witty absorbing tale Publishers Weekly A solid suspenseful narrative and colorful glimpses of Native American life strongly recommend this Library Journal
