**Writing Islands** Elena Lahr-Vivaz, 2022-10-25 Analyzing works of contemporary Cuban writers on the island alongside those in exile Elena Lahr Vivaz offers a new lens to explore the multiplicity of Cuban space and identity arguing that these writers approach their nation as part of a larger transnational network of islands *Ancestral Voices, Healing Narratives*  
Kristina S. Gibby, 2023-12-06 *Ancestral Voices Healing Narratives Female Ghosts in Contemporary US and Caribbean Fiction* examines four novels by Erna Brodber Zo Vald s Sandra Cisneros and Maryse Cond In this unique comparative analysis Kristina S Gibby explores the significance of female ghosts specifically maternal figures who haunt female narrators inspiring them to transcribe the dead s obfuscated hi stories and recover their family memory The author argues that these female ghosts subvert historiographic power structures through a matrilineal succession of knowledge via oral traditions of storytelling inevitably broadening historical consciousness and asserting the value of fiction in the face of historical rupture Gibby contends that in form and content these novels disrupt patriarchal and Western expectations of time and epistemology They favor cyclical temporality highlighted by the spirits uncanny return which underscores relational understanding and challenges the exclusive and limiting constraints of linear time This book makes important contributions to inter American literary criticism with its narrow focus on female authors who confront the horrors of history through maternal spirits

*Latinizing America* Claudia Milian, 2013-02-01 With *Latinizing America* Claudia Milian proposes that the economies of blackness brownness and dark brownness summon a new grammar for Latino a studies that she names Latinities Milian s innovative study argues that this ensnared economy of meaning startles the typical reading practices deployed for brown Latino a embodiment *Latinizing America* keeps company with and challenges existent models of Latinidad demanding a distinct paradigm that puts into question what is understood as Latino and Latina today Milian conceptually considers how underexplored Latin participants the southern the black the dark brown the Central American have ushered in a new world of Latined signification from the 1920s to the present Examining not who but what constitutes the Latino and Latina Milian s new critical Latinities disentangle the brown logic that marks Latino a subjects She expands on and deepens insights in transamerican discourses narratives of passing popular culture and contemporary art This daring and original project uncovers previously ignored and unremarked upon cultural connections and global crossings whereby African Americans and Latinos traverse and reconfigure their racialized classifications **Latin American Women Writers: An Encyclopedia**

María Claudia André, Eva Paulino Bueno, 2014-01-09 *Latin American Women Writers An Encyclopedia* presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese and who have had an impact on literary political and social studies Focusing on drama poetry and fiction this work includes authors who have published at least three literary texts that have had a significant impact on Latin American literature and

culture Each entry is followed by extensive bibliographic references including primary and secondary sources Coverage consists of critical appreciation and analysis of the writers works Brief biographical data is included but the main focus is on the meanings and contexts of the works as well as their cultural and political impact In addition to author entries other themes are explored such as humor in contemporary Latin American fiction lesbian literature in Latin America magic realism or mother images in Latin American literature The aim is to provide a unique thorough scholarly survey of women writers and their works in Latin America This Encyclopedia will be of interest to both to the student of literature as well as to any reader interested in understanding more about Latin American culture literature and how women have represented gender and national issues throughout the centuries
