Knocked Up by the Rockstar Christina Hovland, 2021-12-10 Things just got serious The only thing music publicist Courtney Lincoln dislikes more than knock off sugary breakfast cereal is the hunky lead singer of her brother's ridiculously popular band A band on the rocks again Seems like this time it'll take a miracle to save Dimefront So when she discovers she's pregnant following one teeny tiny mind blowing morning with Brennan Bax Baxter the timing is not great Being a mom wasn't part of her plan but her plans just changed Following the implosion of his engagement Bax realizes he doesn't want to lose Dimefront too But he's finally let his guard down with Courtney in a steamy slip up that ties them together as unlikely co-parents The big problem He broke the cardinal rule of music don't knock up the bass player's little sister Especially a little sister who sees straight through the facade he's painstakingly curated But he's always wanted a family and he's being offered that chance Plus Courtney might just be exactly who he needs to keep him grounded Even if the band can mend fences there's a baby on the way and Courtney's questioning everything she once thought Bax is suddenly a dreamy boyfriend but she isn't convinced it's authentic given all she knows about his rocker past As the group heads out on what they hope is a reunion tour Bax and Courtney have to figure out what's real what's not and if they can learn to finally trust each other
