THE CATHOLIC CHURCH

The Rule Of Faith

**Henry Edward Manning (card, abp. of
Westminster.)**

The Rule Of Faith:

The Rule of Faith William Paterson Paterson,1912 **The Rule of Faith** John Tillotson,1676 **The Rule of Faith** Everett Ferguson,2015-07-28 The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries As such it carries great importance for what the early church considered basic to its being and identity It was not a fixed text like a creed but varied in wording and content according to circumstances Yet despite this flexibility and diversity there is a clear Christ centered Trinitarian core at the heart of the rule shared by the early apostolic churches In this short guide Everett Ferguson introduces readers to the primary sources of our knowledge of the rule the variety of ways in which ancient Christian authors spoke of the rule and different scholarly attempts to interpret this ancient evidence Ferguson argues that statements of the rule of faith were used to instruct new or potential converts to combat false teachings and to provide a framework for interpreting the Scriptures He maintains that the rule retains considerable importance for churches of the twenty first century [The divine rule of faith and practice; or, A defence of the ... doctrine that ...
