Sylvia Christianson,2014 A frog tries to catch a heart to find out what love is When he comes across a girl frog he finally
understands the meaning of love and friendship **The Runaway Heart** Derrick Cutter,2017-05-30 She was a beautiful
little imp slender blonde haired blue eyed and wearing a pair of cut off jeans a tube top and open toed sandals Her outfit was
accessorized by a small sunflower which had been tucked behind her right ear As she walked out of the tree line and into the
meadow her eyes gleamed like Sapphires in the late afternoon sun Everything looked wonderfully calm and dormant save for
her warm presence The naive innocent happiness of a teenager before it was ripped away I watched her closely every curve
and every hair on her body which her outfit revealed coveting her beauty A rose would have wilted in comparison to her For
me it was love at first sight So begins the most recent novel by Derrick Cutter a novelist who haunted by his own inner
demons as a teenager met and ran away with the girl of his dreams Little did he know that he would soon be thrust into a
world even darker than his own filled with ritual abuse and murder the aftermath of which may ironically prove to be good
fodder for his best novel yet In **THE RUNAWAY HEART** author Derrick Cutter examines the human condition from the every
man s point of view from teenage angst and rebellion to love lost and found and lost again to the undeniable strength of the
